Textbook

There is no required textbook for this course. All course content is digital and available in the online course modules.

Prerequisites

There are no prerequisite requirements for this course. It is recommended that students have taken and earned credit in World Geography, Honors World Geography, or AP Human Geography. Knowledge in the following areas would support student success in World History:

- Why physical characteristics of place such as landforms, bodies of water, climate, and natural resources act as contributing factors to world settlement patterns.
- How the physical and human characteristics of places and regions are connected to human identities and cultures.
- How cooperation and conflict among people influence the division and control of the earth's surface
- The characteristics, spatial distribution, and migration of human populations on the earth's surface.
- Human interactions with the world's environments
- The spatial distribution of major economic systems and the role geography plays in economic development

Course Participation Policy

Students should follow the Course Schedule (located in Course Information area of course) and all course work must be submitted no later than 11:59 PM on the due date. Work submitted by the due date will be graded within 48 hours of submission.

After the due date has passed, instructors will enter zeros in the Grade Center for work not submitted by the deadline. During student breaks and towards the end of the semester, students may have the opportunity to improve their course grade by completing and submitting work with grades of zero from earlier in the semester. Zeros will remain in the Grade Center until course work is submitted and evaluated by the instructor.

The CVA term ends prior to the end of the traditional school semester. The final date work will be accepted each term is posted on the CVA website (www.cobbvirtualacademy.org).

Grading

All assignments, discussion boards, and tests are worth 100 points. Grades for the course are calculated based on category percentages as follows:

Assignments	= 50%
Discussion Boards	= 15%
Tests	= 25%
Final Exam/EOC	= 10%

Academic Integrity

Academic integrity is the cornerstone of learning at CVA and we take the integrity and authenticity of student work very seriously. When academic integrity is maintained, students will make decisions based on values that will prepare them to be productive, meaningful, and ethical citizens.

Students are required to abide by the CVA Academic Integrity Policy. Academic dishonesty in any form will not be tolerated. The CVA Academic Integrity Policy outlines the consequences if students fail to maintain academic integrity in their course. For additional information, the CVA Academic Integrity Policy is posted on the CVA website.

Additional General Information

- Students must complete the mandatory online CVA Student Orientation each term before any course work will be graded by the instructor. Only one Student Orientation is completed each term.
- All course work must be submitted through Blackboard in the format requested. Students should have access to Microsoft Office and submit assignments in that format. All CCSD students have access to the Office 365 Suite. Assignments submitted through email will not be accepted.
- The Grade before Final Exam/EOC column in the student Grade Center shows the current grade for the course and is automatically calculated.

- Students in all sections of this course will take an online final exam during the times indicated on the CVA website.
