

Les devoirs d'été – Français 4/5

Your assignment for this summer is to complete the following:

- Visit the **TV5** (<https://apprendre.tv5monde.com/fr>) website. Choose **at least 5** videos (I don't care what topic) and complete ALL associated activities. Screenshot your results and paste them into a Word document.
- Watch a French movie on Netflix and write a **SHORT** review! (Did you like it? Why or why not?) Be prepared to discuss your movie in French withing the first few days of school.
