

Habitat for Humanity Club

Harrison High School

Habitat
for Humanity®
Campus Chapter

Meetings will be held once a month. More information to come.

Dues \$25.00 - includes a T-Shirt.

Join us in constructing a better future for our community!

Harrison High School is part of the Cobb County High School Habitat for Humanity Coalition. Our student-run, student-led Club is teaming up with fellow Cobb High Schools and local Habitat for Humanity Affiliate to do something amazing: build a brand new home for a family in need.

Make a difference while learning new skills!

Our club follows the four functions of a campus chapter:

1. Direct Service through volunteering.
2. Fundraising to create the resources needed to build a house for a family in need.
3. Educating others on the importance for affordable housing and Habitat for Humanity's mission of creating a world where everyone has a decent place to live.
4. Advocating on behalf of people in need of decent housing.

Presidents: Connor DeForest & Tyler Hollander

Sponsor: Mrs. Eck

Stay informed. Text @hoyash to 81010 to join our Remind Group.
