| <p>In developing this plan, briefly describe how the school sought and included advice from individuals (teachers, staff, other school leaders, paraprofessionals, specialized instructional support personnel, parents, community partners, and other stakeholders). <i>References: Schoolwide Checklist 3.b.[Sec. 2103(b)(2)]</i></p> | |
| <p>School Response: At Hendricks Elementary, we believe in the shared governance process and soliciting the input of a wide variety of school stakeholders within our decision-making. While developing this plan, we scheduled virtual and in-person meetings with our building teacher-leadership team (cross-represented to include all teams and departments in our building), our PTSA group, and our local School Council group to be sure to inform and gather feedback related to our plan. We looked at student achievement data, school climate survey data, and discipline data to help determine needs and brainstorm intervention plans. Also, we consistently solicited support from leaders within other Title 1 schools and consultative support from personnel in our district's Title 1 department. Stakeholders were contacted via CTLS Parent and Parent Input meetings for additional input.</p> | |

IDENTIFICATION of STAKEHOLDERS

Stakeholders are those individuals with valuable experiences and perspectives who will provide the team with important input, feedback, and guidance. Stakeholders must be engaged in the process to meet requirements of participating federal programs. Documentation of stakeholder involvement must be maintained by the school. Suggested stakeholder participation includes the following roles. **A parent is required.**

Positions and Roles to consider when developing the SIP Committee.

| Required Stakeholders | Suggested Stakeholders |
|---|--|
| Administrative Team | Parent Facilitators |
| Content or Grade Level Teachers | Media Specialists |
| Local School Academic Coaches | Public Safety Officers |
| District Academic Coaches | Business Partners |
| Parent (a Non-CCSD Employee) | Social Workers |
| Student (Required for High Schools) | Community Leaders |
| Structured Literacy Coach (For CSI/ TSI Schools) | School Technology Specialists |
| MRESA School Improvement Specialist (For Federally Identified Schools) | Community Health Care Providers |
| | Universities or Institutes of Higher Education |

SCHOOL IMPROVEMENT PLAN COMMITTEE MEMBERS - SIGNATURE PAGE

The comprehensive needs assessment (CNA) and school improvement plan (SIP) team consists of individuals responsible for working collaboratively throughout the needs assessment and plan development process. Ideal team members possess knowledge of programs, the capacity to plan and implement the needs assessment, and the ability to ensure stakeholder involvement. Documentation of team member involvement must be maintained by the school. Multiple meetings should occur, and a sign-in sheet must be maintained for each meeting.

Comprehensive Needs Assessment Evaluation of Goal(s)

(References: Schoolwide Checklist Section 1114(b)(1)(A))

Collaborate with your team to complete the questions below regarding the progress the school has made toward each goal in the School Improvement Plan (SIP).

| Previous Year's Goal #1 | <p><i>By the end of SY 2024-25, the percentage of students in grades K-2 who are performing at the 50th percentile or above, will increase from 62% (156 out of 250 students) to 80% based on the Amira Universal Screener.</i></p> <p><i>By the end of SY 2024-25, the percentage of students in grades 3-5 who score proficient or advanced, will increase from 41% (99 out of 241 students) to 50% based on the ELA Georgia Milestones assessment.</i></p> | | | | | | | | | | | | | | | | | | | | |

| What data supports the outcome of the goal? | <p>Based on the results of the 2024-2025 we did not meet the goal of 50%.</p> <p>The data that supports this outcome includes the spring Amira data. After reviewing the winter Amira data, we are not meeting the goal for Amira. The percentage of students in grades K-2 who performed at the 50th percentile or above during the winter administration Amira Universal Screener included 72% (161 out of 224).</p> <p>Amira- students scoring at the 50th percentile or higher:</p> <table border="1" style="width: 100%; border-collapse: collapse; text-align: center;"> <tr style="background-color: #d9e1f2;"> <th></th><th>Fall</th><th>Winter</th><th>Spring</th></tr> <tr> <td>Kindergarten</td><td>42%</td><td>67%</td><td>59%</td></tr> <tr> <td>First</td><td>45%</td><td>64%</td><td>68%</td></tr> <tr> <td>Second</td><td>62%</td><td>85%</td><td>76%</td></tr> <tr> <td>Totals</td><td>49.6%</td><td>72%</td><td>67.6%</td></tr> </table> | | Fall | Winter | Spring | Kindergarten | 42% | 67% | 59% | First | 45% | 64% | 68% | Second | 62% | 85% | 76% | Totals | 49.6% | 72% | 67.6% |

| If the goal was not met , what actionable strategies could be implemented to address the area of need? | <p>Next year teachers will implement new standards and new instructional resources (Wonders). This tool will provide scaffolded support for students scoring below the 50th percentile. Additionally, teams will develop common formative assessments to identify areas of concern after instruction. This will allow teachers to reteach and support students in areas of deficit.</p> | | | | | | | | | | | | | | | | | | | | |

| | |
|--|--|
| If the goal was met or exceeded , what processes, action steps, or interventions contributed to the success of the goal and continue to be implemented to sustain progress? | 94/269 or 34.9% of the students scored at the proficient or advanced on the 24-25 EOG assessment in Reading. The actionable steps that will be implemented will be explicit instruction in small group to address areas of concern: vocabulary, informational text, and key ideas/details. Additionally, instruction will focus on explicit writing instruction to address students not meeting the targets in writing (narrative and informational). EOG scores indicate 20% or(35/171 met the target in writing. Teachers will administer common formative assessments to monitor and measure students' progress. |

|--------------------------------|---|
| Previous Year's Goal #2 | <p><i>By the end of SY 2024-25, the percentage of students in first grade and second grade, who are near target and prepared based on scale scores will increase from 42% (67 out of 159 students) to 75% based on the scale scores from the Math Beacon assessment.</i></p> <p><i>By the end of SY 2024-25, the percentage of students in grades 3-5 who score proficient or advanced, will increase from 35% (86 out of 244 students) to 50% based on the Math Georgia Milestones assessment.</i></p> |

| to address the area of need? | |
| If the goal was met or exceeded , what processes, action steps, or interventions contributed to the success of the goal and continue to be implemented to sustain progress? | Teachers administered some common formative assessments and disaggregated the data to determine areas of concern that required reteaching. Teams collaborated and developed strategies for reteaching. Students used I-ready often to support areas of concern. Additionally, teachers and students used the Cobb County Resource Book for practice and to support of lessons. |

| Root Cause(s) to be Addressed: | <ul style="list-style-type: none"> Limited instructional time spent on comprehension of informational text, and literature in kindergarten. These students are moving to 1st grade, and these areas of concern will need to be addressed. The uninterrupted literacy block schedule is not being followed as designed: not enough emphasis have been placed on informational text and application conventions in small group instruction. Rising second graders received limited support in constructing text (writing) 3rd-5th grade students' areas of concern are vocabulary acquisition and conventions. The ongoing concern regarding vocabulary acquisition stems from a lack of exposure to vocabulary with an emphasis on informational text during small-group instruction. The concern regarding conventions is due to the fact that they are taught skills in isolation. | | |

GaDOE required six “Shall’s”. Each shall must be addressed at least once during the school year:

1. Assist parents in understanding state academic standards, state and local assessments, and how to monitor their child’s academic progress.
2. Provide materials and training to help parents work with their child to improve academic achievement. (Ex. Literacy training, technology training)
3. Educate school staff in the value and utility of the contributions of parents, and how to reach, communicate with, and partner with parents to implement parent programs to build ties between parents and the school.
4. Coordinate and integrate parent programs and activities with other Federal, State, and local programs (Preschool to Kindergarten, transitions, parent resource centers, etc.) to support parents in more fully participating in their child’s education.
5. Ensure information related to school and parent programs/meetings are sent in a format and language parents can understand.
6. Provide other reasonable support for parental involvement activities as parents may request. These are school developed activities based upon parent input. (#14 in list of “shalls” and “mays”)

School Improvement Plan Required Questions

Schoolwide Plan Development – Section 1114(2)(B) (i-iv)

1. Cobb County’s schoolwide plans are developed during a 1-year period; unless – the school is operating a schoolwide program on the day before the date of the enactment of Every Student Succeeds Act, in which case such school may continue to operate such program but shall develop amendments to its existing plan during the first year of assistance after that date to reflect the provisions of the section. **Evidence to support this statement includes: The dated schoolwide plans, dated budget meeting agendas and signature pages, and dated committee and input meeting signature pages. SWP Checklist 5(a)**

2. Cobb County’s schoolwide plans are developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other school leaders, paraprofessionals present in the school, administrators (including administrators of programs described in other parts of this title), the local educational agency, to the extent feasible, tribes and tribal organizations present in the community, and , if appropriate specialized instructional support personnel, technical assistance providers, school staff, if the plan relates to a secondary school, students, and other individuals determined by the school. **Evidence to support this statement includes: The schoolwide plan committee signature page and the Family Engagement fall and spring input meetings. Schoolwide Checklist 5(b)**

3. Cobb County’s schoolwide plans remains in effect for the duration of the school’s participation under Sec. 114(b)(1-5) of ESSA, except that the plan and its implementation shall be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet the challenging State academic standards. **Evidence to support this statement includes: The Title I midyear and end of year monitoring of SWP goals, monitoring and approving all Title I expenditures, and revision dates listed on the SWP cover page. SWP Checklist 5(c)**

4. Cobb County’s schoolwide plans are available to the local education agency, parents, and the public, and the information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand. **Evidence to support this statement includes: Every Title I school post the Title I plan, Title I budget, and Family Engagement Components on the school’s website and in multiple languages. SWP Checklist 5(d)**

5. Describe how the schoolwide plan has been developed in coordination and integration with other Federal, State and local services, resources, and programs, such as programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing comprehensive support and improvement activities or targeted support and improvement activities under section 1111 (d), if appropriate and applicable. **SWP Checklist 5(e) Include district initiatives that are supported with Title I Funds (For example: Early Literacy Framework (ELF), Math Fluency Initiative (MFI), LETRS, Read 180, etc.)**

Title II provides professional learning support to our teachers. The resources provide educators with tools to learn and implement current, evidence-based practices.

- Title III funds support language proficiency through resources, including teacher and student materials, digital learning programs, and professional learning for Teachers of English Language Learners. It also provides resources and substitute teachers,
- The Office of Student Assistance supports the school’s implementation of the Positive Behavioral Intervention and Support Program (PBIS).
- Title I supports Hendricks' participation in the following CCSD initiatives: Effective implementation of the 120-minute Literacy Block, and i-Ready, a digital literacy resource.

ESSA Requirements to Include in the Schoolwide Plan – Section 1116(B)(1)

6. Jointly develop with, and distribute to, parents and family members of participating children a written parental and family engagement involvement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of Subsections (c) through (f). Parents shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school. **Evidence to support this statement includes Posting every Title I school's parent policy on the school's website in multiple languages where practicable, Fall and Spring input meeting agendas and sign in sheets providing parents the opportunity to assist in the development of the school's parent policy, compact and parent engagement budget.**

SWP Checklist 4

Evaluation of the Schoolwide Plan - 34 CFR § 200.26

7. Describe how the school regularly monitors and the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement. *SWP Checklist 3(a)*

SCHOOL RESPONSE: The School Improvement Plan remains in effect for the duration of the school's participation under Sec. 114(b) (1-5) of ESSA, except that the plan and its implementation shall be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet the challenging State academic standards. The results from district and school-wide assessments will be analyzed on a quarterly basis by administrators and academic coaches. This data will be triangulated with state assessment data and will be used to determine the effectiveness of the programs and what actionable strategies need to be implemented for increased academic achievement.

Teachers actively participate in Collaborative Teams (CTs) on a weekly basis to regularly monitor student progress toward meeting state standards. In addition to this ongoing collaboration, the school conducts quarterly data analyses to examine key indicators, including Beacon results, common formative assessments, and i-Ready data, to monitor student progress.

The Cobb Teaching and Learning System (CTLs), particularly CTLs Assess, is utilized for continuous monitoring of student performance and achievement. I-Ready assessments are administered to ESOL students. Results from various district assessments, including i-Ready, formative, and summative evaluations, are regularly reviewed. Our administrative team will meet periodically and collaborate with Title I Supervisors and District Title I Coaches to assess progress toward achieving school improvement goals outlined in the plan.

8. Describe how the school determines whether the schoolwide program has been effective in increasing the achievement of students in meeting the challenging State academic standards, particularly for those students who had been farther from achieving the standards. *SWP Checklist 3(b)*

SCHOOL RESPONSE: The school utilizes the GaDOE CCRPI indicators (Content Mastery, Progress, and Closing the Gap) measurable tools to monitor academic progress. These metrics enable us to establish performance targets for the upcoming year. Additionally, EOG scores and domain data, ACCESS scores, and performance on common formative and summative assessments provide valuable data for Collaborative Teams (CTs) to identify and address the content-specific needs of students.

9. Describe how the schoolwide plan will be revised, as necessary, based on regular monitoring to ensure continuous improvement of students in the schoolwide program. *SWP Checklist 3(c)*

SCHOOL RESPONSE: The schoolwide plan will be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet the state academic standards. School administration and academic coaches will meet quarterly to analyze school wide data. They will meet with the Title 1 Supervisor 3 times a year to monitor school wide data and adjust the plan based on the data.

Schoolwide Plan Reform Strategies – Section 1114(b)(7)(A)(i-iii)(I-V)

10. Address the reform strategies the school will implement to meet the school needs, including a description of how such strategies will: Provide opportunities for all children, including all subgroups defined in section 1111 (c)(2), to meet the State’s challenging academic standards. **Evidence to support this statement includes: Specific schoolwide plan action steps, the method for monitoring and evaluating those action steps and the schoolwide plan student groups page specifically identifying supports to assist various student groups in meeting the State’s challenging academic standards, where applicable. SWP Checklist 2(a)**

11. Address the reform strategies the school will implement to meet the school needs, including a description of how such strategies will: use methods and instructional strategies that strengthen an academic program in the school, will increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education. **Evidence to support this statement includes: Specific schoolwide plan action steps, the method for monitoring and evaluating those action steps, where applicable. SWP Checklist 2(b)**

12. Address the reform strategies the school will implement to meet the school needs, including a description of how such strategies will: address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards through activities which may include - counseling, school-based mental health programs, specialized instructional support services and other strategies to improve students’ skills outside the academic subject areas. **Evidence to support this statement includes: Specific schoolwide plan action steps, the method for monitoring and evaluating those action steps, where applicable. SWP Checklist 2(c)(i)**

13. Describe the implementation of your schoolwide tiered model to prevent and address problem behavior and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.). *SWP Checklist 2.c(iii)*

SCHOOL RESPONSE: Hendricks Elementary PBIS team, counselors, and administrators have developed a PBIS plan and designed a matrix shown below to specifically to address student expectations for behavior in common areas and in the classroom. These behaviors and expectations are also supported by the district PBIS team. Lesson plans and videos are also developed specifically for Hendricks and are taught to all students with their homeroom teacher. These lessons and videos include all the four areas of the Husky Way (being safe, cooperative, responsible, and taking ownership). PBIS rewards (i.e., popcorn/ice cream parties, gift bags, etc.) are given from the PBIS App reward system as well Husky Way tickets on a regular basis to encourage positive behavior from students.

| Husky Way  | Cafeteria  | Hallway  | Restroom  | Playground  | Classroom  |
|--|---|---|--|--|---|
| Safe | Stay in seat  | Walk to your location  | Use the restroom for its intended purpose  | Use equipment as intended  | |
| Cooperative | Talk to your "Soft Sweet Six"  | Walk in a single file line  | Keep hands, feet, and eyes to yourself  | Play by the rules  | |
| Responsible | Keep your hands and food to yourself  | Be silent  | Be silent Return to class promptly  | Line up quickly and quietly  | |
| Take Ownership | Clean up your area  | Go directly to your location  | Wash your hands with soap and water  | Be kind  | |

14. Describe professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. *SWP Checklist 2.c(iv)*

SCHOOL RESPONSE: Focused professional development based on high standards of teaching and learning is essential to improving teaching and increasing student achievement. It must be focused on what teacher's district-wide and in the individual schools need to know and be able to do for their students. Ultimately, professional development should build "professional communities" committed to higher student learning. Continuous learning opportunities that are focused, reflective, and coherent are essential. The following are research-based practices in professional development that support career-long development of teaching and student learning:

- Provide on-going learning opportunities for all
- Improve teaching and learning
- Target student outcomes and goals of schools and districts
- Set time aside to allow teachers to implement new techniques learned and to plan collaboratively
- Establish study groups (e.g., book studies, professional magazine articles, etc.)
- Involve all teachers including, Special Education, ESOL, paraprofessionals and specialists (music, art, science, math, and physical education)

At Hendricks Elementary we provide new teacher orientation prior to the beginning of a new school year as well as an on-going new teacher induction program that includes pairing with mentor teachers. We will set aside specific times each week for members of grade levels to meet as a group for planning purposes. We will receive curriculum support from local and district level coaches. Finally, we will provide frequent professional learning to address areas of weakness in all content areas.

15. ONLY MIDDLE AND ELEMENTARY SCHOOL RESPONSE REQUIRED Describe the transition activities provided for preschool children to kindergarten, 5th grade students to 6th grade and 8th grade students to 9th grade. *SWP Checklist 2.c(v)*

SCHOOL RESPONSE: A Kindergarten Orientation meeting will be held for parents to be able to learn about kindergarten readiness and expectations. Parents and students will have an opportunity meet the kindergarten teachers and ask any questions.
~Our rising 6th grade students and parents participate in middle school parent night and a day tour of our feeder schools, Garrett, and Cooper Middle School. Opportunities are provided for parents and students to pose transition questions and receive answers to make them feel more comfortable about transitioning to middle school

16. ONLY HIGH SCHOOL RESPONSE REQUIRED Describe how the school prepares and makes aware of opportunities for postsecondary education and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school (such as Advanced Placement, International Baccalaureate, dual or concurrent enrollment, or early college high schools. *SWP Checklist 2.c(ii)*

SCHOOL RESPONSE:

Comprehensive Needs Assessment – Section 1114(b)(1)(A)

17. Cobb County's schoolwide plans are based on a comprehensive needs assessment of the entire school, that considers information on the academic achievement of children in relation to the challenging State academic standards, particularly the needs of those children who are failing, or are at-risk of failing, to meet the State academic standards and any other factors as determined by the local educational agency. **Evidence to support this statement includes: The comprehensive needs assessment section of the schoolwide plan.** *SWP Checklist 1*
