

 **THURSDAY,
OCTOBER 22, 2026**

 **5:30 PM – 6:30 PM**

 **HENDRICKS ELEMENTARY
Classrooms & Cafeteria**

WHAT IS LITERACY NIGHT?

Join us for a fun, interactive Escape Room–style vocabulary adventure! Families will travel through vocabulary stations, complete challenges, and collect clues to solve the final mystery. This hands-on event shows how vocabulary skills develop from kindergarten through fifth grade and connects directly to our school's School Improvement Plan.

HOW IT WORKS

- 1 Receive a Literacy Detective Passport.
- 2 Travel through grade-level vocabulary stations.
- 3 Complete a short challenge at each station and collect a clue.
- 4 After visiting all six stations, go to the cafeteria and use your clues to solve the final mystery.
- 5 Students will receive a certificate and snack after they have visited all the stations.

THE MISSION

1. *Work together.*
2. *Solve the vocabulary challenges.*
3. *Crack the code.*
4. *Escape the Library!*

WHY YOU SHOULD BE THERE!

- ✓ Engage in a fun, interactive literacy experience with your child.
- ✓ See how vocabulary skills develop from kindergarten through fifth grade.
- ✓ Learn strategies that support your child's reading and academic success.
- ✓ Work together as a family to solve the final mystery.
- ✓ Discover why building strong vocabulary is important for your child's future!
