

How Students Access Clever at Home

These directions will help students and parents access the student's Clever account from home.

1. Click on the following link to log into **Clever**: <https://clever.com/in/cobb>

2. Select **Log in with Active Directory**.

3. Log in with your **Office 365 username** and **password**.

Note: Screen may vary based on device type.

Students	<p>Username: Office 365 username firstname.lastname or firstname.lastname@students.cobbk12.org <i>Note: If student has a three-digit number in his or her username, it must be entered following the last name. Click here for a video link that shows where to find student Office 365 username and password.</i></p> <p>Password: Same password used to log into a school computer</p>
Teachers	<p>Username: Office 365 username (firstname.lastname@cobbk12.org)</p> <p>Password: Same password used to log into a school computer</p>

4. Students should see their Clever dashboard with all available apps.

Note: Available apps may vary by both school and teacher.
