

**IDB-R Health Education**

8/22/19

**RATIONALE/OBJECTIVE:**

The Cobb County School District (District) recognizes health as a distinct discipline essential to the developmental needs of students at every educational level in their primary years through their secondary school experiences.

**RULE:**

Health education is an integral part of each student's total school experience and shall be maintained in compliance with state standards.

**A. CURRICULUM REQUIREMENTS:**

1. The District has developed and implemented an accurate, comprehensive health program that includes information and concepts in the following areas:
  - a. Alcohol and other drug use;
  - b. Disease prevention;
  - c. Environmental health;
  - d. Nutrition;
  - e. Personal health;
  - f. Sex education/AIDS education;
  - g. Safety;
  - h. Mental health;
  - i. Growth and development;
  - j. Consumer health;
  - k. Community health;
  - l. Health careers; and
  - m. Family living.
2. **Alcohol/Drug Education:**

Each grade K-12 shall be provided annual alcohol and other drug use education. In accordance with State Board of Education rule, such instruction shall provide information about the use, misuse and abuse of alcohol, tobacco, legal and illegal drugs. The instruction is intended to discourage the use of alcohol, tobacco, and controlled substances and communicate that the use of illicit drugs and improper use of legally obtained drugs is wrong and dangerous.
3. **Cardiopulmonary Resuscitation (CPR):**

In accordance with State Board of Education rule, instruction in CPR and the use of an automated external defibrillator (AED) shall be provided as a requirement in the health education program at each high school.

**B. INSTRUCTIONAL MATERIAL REVIEW AND PARENTAL PERMISSION:**

Sex education and AIDS education shall be a part of a comprehensive health program. Prior to the parent/guardian making a choice to allow his/her child or ward to take the specified unit of instruction, he/she should be told what instruction is to be provided and have the opportunity to review all instructional materials to be used, print and non-print (See also Rule IFAA-R [Instructional Resources Selection and Adoption]; Rule IFBC-R [Media Programs]; and Rule ICC-R [Curriculum Research]).

**1. Parent/Guardian Permission:**

- a. Prior to the beginning of sex education instruction, the school shall send parents/guardians written notice of the course of study;

- b. The parent/guardian will be provided an opportunity to review the curriculum and instructional materials as provided above;
  - c. Parents/guardians who elect to allow their child to participate in the sex education course of study shall return a signed permission form to the school;
  - d. Students who do not return a signed permission form shall not participate in the course of study but shall be provided other health related instruction.
2. **Review Committee:**  
 The District shall establish a committee to periodically review sex/AIDS education instructional materials and make recommendations concerning age/grade level use.
- a. **Materials Adoption:**  
 Materials and other recommendations of the committee shall be approved by the Board of Education before implementation.
  - b. **Membership:**
    - (1) The committee shall be composed primarily of non-teaching parents/guardians who:
      - (a) Have children enrolled in the District; and
      - (b) Who represent the diversity of the student body.
    - (2) Other community representatives such as educators and health profession representatives; and
    - (3) A male and female student currently enrolled in the District and attending the 11<sup>th</sup> or 12<sup>th</sup> grade.

**C. MINIMUM PROGRAM PARTICIPATION:**

- 1. **Elementary:**  
 Students in grades K-5 shall be provided a minimum of 90 contact hours of instruction at each grade level K-5 in health and physical education;
- 2. **Middle:**  
 Students in grades 6-8 shall be provided the opportunity to receive health instruction.
- 3. **High:**  
 High school students are required to complete ½ unit of health education as a requirement for graduation (see Administrative Rule IHF-R [Graduation Requirements]).
