9/27/12

It is the policy of the Cobb County Board of Education (Board) that each school in the Cobb County School District (District) shall have a library media center adequately staffed and containing the quality, quantity and variety of print and non-print materials and equipment to support the school's curricular offerings and to challenge individual students at their developmental level.

It shall also be the policy of the Board to encourage the use of instructional materials and equipment in the educational program for all students.
