

the **STEAM** club

Engineering & Intro to Robotics

After School Enrichment Classes

Grades 1 - 2 | Wednesdays 2:30p - 3:30p

In The STEAM Club's Lego Robotics program, students will work to build robotic models featuring working motors and sensors. Next, students will program their models and explore a series of cross-curricular, theme-based activities, while developing their skills in science, technology, engineering, and mathematics! Students will be grouped based on grade level and experience.
