Su-Z	Melody McAllister	melody.mcallister@cobbk12.org
Support	Rachel Botkin	rachel.botkins@cobbk12.org

In This Packet You Will Find:

Junior Year Timeline

Career Interests

Dual Enrollment

HOPE Scholarship Information

Naviance

Graduation Requirements

Post-Secondary Options

Financial Aid Resources

ACT/SAT Testing Information

Additional Resources

What do you need to know now?

- Courses left to meet graduation requirements and college admission requirements.
- Your goals. It is time to start defining your goals in terms of what you want to do after high school and the steps needed to get there.

Junior Year Timeline

Fall

- If you have not already, create a **GAFutures** account at www.gafutures.org. This is where you will find your HOPE GPA.
- Start **researching careers** using Naviance, YouScience, GAFutures, etc.
- Determine the training** required for the career you wish to pursue. (4yr college, Technical School, Trade School, Apprenticeship, On-the-Job Training, Military, etc.)
- Research:** Talk with College Admissions Reps and ask questions during lunch visits. Check Naviance for lunch visits. Look at college websites using your Naviance account. Plan to visit college campuses during breaks. Talk to friends, family members, teachers, and recent grads that are now in college. List the college features that interest you.
- Make a file** to manage your college search, testing, and application data. List all your activities, awards, etc. from high school.
- Start studying** for the SAT/ACT, if applicable.

Winter

- Sign up to take the **SAT/ACT** in the spring, if applicable to your plans.
- Continue to **research** post-secondary options.

Spring

- Stay open to all the possibilities** — don't limit your search. To find the best college for you, you should apply to colleges of varying selectivity. Selective colleges admit a portion of students who apply. Some colleges are highly selective while others are less selective.
- Take or Retake the SAT/ACT**, if necessary.
- Visit colleges, even if it is a virtual visit** – Most schools offer interactive virtual tours!

Summer

- Athletes--Register** with the appropriate clearinghouse if you are an athlete planning to continue playing a sport in college (NCAA, NAIA or NJCAA)
- Visit colleges.** When planning your campus visits, make sure to allow time to explore each college. Take campus tours and, at colleges you're serious about, make appointments to have interviews with admission counselors if available. Most campuses offer virtual tours as well!
- Take or Retake the SAT/ACT**, if necessary.
- Create a résumé** — a record of your academic accomplishments, extracurricular activities, and work experiences since you started high school.
- Make a list of 3-5 schools** you plan on applying to in the fall.
- Begin** writing admissions essays for those schools on your list that require them.

Graduation Requirements vs. College Admissions:

Graduation Requirements	vs.	College Admissions
Determined by the GA Dept. of Education.		Often greater than graduation requirements (even in GA) Ex. math and/or world languages.
Tracked by you, your teachers, and your school counselor.		Tracked by you – It's your responsibility to find out what the school requires.
Must pass 23 specific classes including: 4 English 4 Math 4 Science 3 Social Studies, Health/PE 4 General Electives 3 CTAE, Fine Arts and/or World Language		Most colleges require some type of testing for admissions, but not all. Do your research on the college's admissions page or you can go to sites like www.fairtest.org > College Admissions > Optional List *Keep in mind that many test optional schools use test scores for scholarship eligibility.
Must pass the 23 specific classes to earn a diploma and participate in the graduation ceremony.		Meeting minimum admissions' requirements does NOT guarantee admission to that college.

Career Interests: So, what do you want to do with your life?

Do you know what you want to do?

How do you decide?

Where do you begin?

If you aren't sure, take a Career Interest Inventory

Step 1: Take an Interest Inventory—ASVAB, YouScience, Naviance, GAFutures, etc.

During the assessment, avoid choosing “not sure” type responses. Choosing this type of response gives you careers that may not be the best fit because you said you “didn't care”.

Decide if this career is something you would want to do for the rest of your working life.

Ex. If you don't want to work outside, don't choose those types of responses or the assessment results will give you careers that require you to be outside.

Step 2: Make a list of careers you want to learn about.

Think about...

Job availability and location upon graduation

Education/Training Required

Salary Range-Can you make a livable wage?

Work Demands-Are you physically able to do the job?

Step 3: Determine the Occupational Outlook for the careers.

You can find answers to these questions on sites like:

Occupational Outlook Handbook: www.bls.gov/ooh/

O*Net Online: www.onetonline.org

Step 4: Look for colleges that offer that major on sites like:

Naviance (www.cobbk12.org > Find it Fast > Naviance-use your O365 login)

GaFutures (www.gafutures.org)

Big Future (www.bigfuture.collegeboard.org)

Alternatives to 4-Year College

Check out the following video for insight into options beyond 4-year college: <https://bit.ly/3SfOwYk>

Apprenticeships vs. On-the-Job Training

On the Job Training		Apprenticeships
Short Period of Time	vs	Takes 1-6 years to learn the job from someone who is licensed in the field
Structured Hands-On Training		Most common skilled trades: Electrician, HVAC, Cosmetology, etc.
Trained by a Peer or Supervisor		Often Requires Formal Licensure
Typically, don't require tests for certification or licensure		May also Require Formal Classes to Learn the Job and Prepare for the Licensure Exam

Apprenticeships

Atlanta Electrical Contractors	http://atlantaelectrical.org/
Electrical Training Center	https://sites.google.com/aejatc.org/etc/home?authuser=0
Independent Elec Contractors	http://iecatlantaga.org/training/apprenticeship/
Atlanta Carpenters Union	http://www.atlantacarpenters.com/
Southeastern Carpenters Union	http://www.southeasterncarpenters.org/join-us/
Mechanical Trades Institute	https://www.mti-jatt.org/
United Assoc. Of Plumbers, Pipefitters & HVACR Technicians	http://ua72.org/apprentices
Plumbing, Heating, Cooling Contractors Assoc.	https://www.phccga.org/
Iron Workers Union	https://ironworkerslocal387.com/apprenticeship-2/

Southeastern Millwrights Union	https://www.southernstatesmillwrights.org/TrainingOverview.xml
Sheet Metal Union	http://www.jatc85.org/
International Union of Elevator Constructors	https://nabtu.org/affiliates/international-union-elevator-constructors-iuec/

Military

- Research the different branches (Air Force, Army, Coast Guard, Marines and Navy) at www.todaysmilitary.com.
- You can Enlist as Active Duty (Full Time) or Reserves (Part Time).
- Talk to a recruiter: either at school or at their office. Make sure a parent/guardian is with you.
- Take the ASVAB (Armed Services Vocational Aptitude Battery) to determine job eligibility. <https://www.officialasvab.com/>

Military Academies

- Academies:** West Point, Naval Academy, Air Force Academy, Coast Guard Academy, Merchant Marines
- All academies, except the Coast Guard Academy, **require a Congressional nomination.**
- Very competitive process** that you must begin very early! **Begin researching NOW!**
You can find more information about the process on the Service Academy websites or www.whitehouse.gov.

Specialty Schools- Schools that offer training for a specific career:

Keep in mind that these are typically **FOR-PROFIT** schools, which means they are funded by students and may have limited financial aid. They are considered a business and can close without notice, so make sure you choose a reputable school.

Examples of Specialty Schools	Types of Programs Offered
Paul Mitchell, Aveda, Toni & Guy	Cosmetology, Barbering, Esthetician
Georgia Trade School	Welding
Atlanta School of Massage; Other Massage Schools	Massage Therapy
Georgia MLS Real Estate School; Barney Fletcher School; Keller Williams, Etc.	Real Estate

Postsecondary Options-What type of school is right for you?

Step 1: Think about what is important to you and do some research. Use the questions below as a guide.

Academics Do they offer your major? Is the school accredited? Student to faculty ratio?	Activities What clubs & organizations are available? Sororities/Fraternities? Athletics/Intramurals?	Admission Requirements Do you meet admission requirements? What decision processes do they use? Required tests/Average scores? Average GPA? How do they calculate GPA?
College Expenses Total Cost of Attendance (room, board, etc.)? Cost of application fees?	Environment Rural, Urban, Suburban? Location and size of nearest city? Make-up of student body? Public or Private?	Financial Aid Deadlines to apply for Financial Aid. Required Forms (FAFSA or CSS)? Institutional Scholarships?
Housing Housing Options? On or Off Campus? Layout of the dorms? Meal Plans?	Location In-State or Out-of-State? Distance from home?	Size Size of student body? Physical Size of campus?

Step 2: Make a list of potential schools and research them.

Plan to apply to at least 3 colleges; one where you are likely to be accepted (safety), one that is your target school, and one that would be a "reach" or challenge.

Dream/Reach School	Your GPA, course difficulty level, and test scores are below the average, but you still meet the minimum requirements.
Target School	Your GPA, course level difficulty and test scores are within the average or minimum.
Safety	Your GPA, course difficulty and test scores are above the average or minimum.

Step 3: Use some or all the resources below to gather information on potential schools.

<input type="checkbox"/> College/University Admissions Webpage	<input type="checkbox"/> Naviance
<input type="checkbox"/> Attend Virtual/In-Person College Fairs	<input type="checkbox"/> GAFutures
<input type="checkbox"/> Attend Virtual College Rep Visits through Naviance	<input type="checkbox"/> www.bigfuture.collegeboard.org
<input type="checkbox"/> Go on College Visits (Virtual or In-Person-if offered)	<input type="checkbox"/> Talk to your school counselor

STEP 4: What is your current GPA? What type of GPA does the school you want to attend use for admissions decisions?	
Cumulative GPA (Weighted & Unweighted)	Average of every class you have taken in HIGH SCHOOL-pass or fail. If you took Honors or AP classes, your weighted GPA will be different than the unweighted GPA. Most Honors courses give you 0.5 extra quality points and AP's give you 1.0 extra quality points. Neither of these are your HOPE GPA.
College or Core GPA	The average of 17 core classes: 4 English, 4 math, 4 science, 3 social studies, 2 world languages. Most GA colleges use this to determine admissions. If you have taken Honors or AP; they may leave the weight in, they may take it out or recalculate using their own formula. Every school is different!!
HOPE GPA You can find this on GAFutures - NOT on your Allatoona transcript.	The average of ALL Core Classes, not just the 17 mentioned above. Calculated using your English, math, science, social studies and world languages ONLY! They take the extra quality points (weight) out for honors but give you a 0.5 extra quality point for AP and DE, up to a 4.0.
STEP 5: What about your test scores? Do you meet the school's minimum requirements?	You need to study before you take the SAT/ACT. TAKE PRACTICE TESTS & TEST IN THE SPRING OF JUNIOR YEAR!
STEP 6: Start going on college visits to narrow down your list.	You should schedule visits when classes are in session to get a feel for campus life. If you are interested in the school, do a formal tour, and take the time to walk around on your own.
STEP 7: Understand the DECISION PROCESS for each school you are considering.	
Early Action	Application decisions are made earlier than regular decision deadlines. Not required to accept the offer and have until spring to decide.
Early Decision	Students apply early, but the decision is binding. You can ONLY apply to one (1) school; if you are accepted you must attend.
Regular Decision	No application decisions are made until after the posted deadline; usually 2 nd semester, possibly allowing you time to retake SAT/ACT if necessary & submit Semester 1 grades.
Rolling Decision	Application decisions are made as they are received until all classes are filled.
STEP 8: Before you begin applying next year, review each school's application requirements. Pay attention to the admissions deadlines!!!	
Application	Links to apply can be found on the college's admissions page-some use Common Application, Coalition Application, or their own application.
Application Fee	All schools require a fee, but they are sometimes waived depending on the situation.
Official Transcript	Requested through Naviance for all colleges.
Official SAT/ACT Scores	Required by most. You must have them sent via College Board (SAT) or ACT.
Recommendations	Depends on the school. If they don't ask for it, don't send it!! May be described as Counselor Recommendation/School Evaluation and/or Teacher Recommendation (core teachers should complete the teacher recommendation).

Do you meet or exceed the admissions requirements?

College/University	Average GPA	Average SAT	Average ACT
IN-STATE PRIVATE COLLEGES/UNIVERSITIES			
Emory University	3.8	1470	33
Mercer University	3.8	1281	28

SAT & ACT Information

SAT & ACT Test Dates 2023-2024

Register for the SAT at <https://satsuite.collegeboard.org/sat/registration>

Register for the ACT at <https://www.act.org/content/act/en-georgia.html>

SAT Test Date	Registration Deadline	Scores Available
August 26, 2023	July 28 th	September 8 th
October 7, 2023	September 7 th	October 20 th
November 4, 2023	October 5 th	November 17 th
December 2, 2023	November 2 nd	December 15 th
March 9, 2024	February 23 rd	TBD
May 4, 2024	April 29 th	TBD
June 1, 2024	May 17 th	TBD

ACT Test Date	Registration Deadline	Scores Available
September 9, 2023	August 4 th	September 21 st
October 28, 2023	September 22 nd	November 8 th
December 9, 2023	November 3 rd	December 19 th
February 10, 2024	January 5 th	February 20 th
April 13, 2024	March 8 th	April 23 rd
June 8, 2024	May 3 rd	June 18 th
July 13, 2024	June 7 th	July 23 rd

Most colleges will accept either test. Writing requirement varies by college. These tests are sometimes required for admissions to 4-year colleges. Students can take BOTH. More information:

<https://www.applerouth.com/testcomparison/>

Test Prep:

- SAT & ACT Prep: www.march2success.com
- SAT Only: www.khanacademy.org
- Check the Allatoona Counseling Page for additional options.

Fee Waivers:

- Test and Application Fee waivers are available to low-income 11th and 12th grade students
- Parents/guardians can apply for Free/Reduced lunch at www.cobbk12.org/allatoona > FIND IT FAST > Lunch Menus > Family Meal Application Information

SAT Fee Waiver	ACT Fee Waivers
2 Free SATs & 2 Free Answer Services	4 Free ACTs with or without the optional writing
Unlimited Score Reports to colleges	Free access to The Official ACT online course
Waived application fees at participating schools <i>(If you have already tested, the fee waivers are in your college board account.)</i>	Free score reports to up to 6 colleges

What can I do if my GPA isn't high enough to get into my dream college?

- Consider taking classes at a different school. Your GPA starts over when you begin college.
- Once you earn 30 college credit hours, you can apply as a transfer student to a different school.
- You can take TAG (Transfer Admission Guarantee) classes. TAG courses are guaranteed to transfer to a school that is part of the University System of Georgia. *Be sure to check with the school you are interested in transferring to for specific transfer guidelines.

Technical Colleges

- Earn a Certificate, Diploma or an Associate's Degree
OR
- Take core classes to transfer to a 4-year college to pursue a Bachelor's degree
- Use this Link to Find the Technical College that offers the Program you are interested in pursuing.
<https://www.tcsg.edu/find-a-college/programs/>
- State Financial Aid opportunities specifically for Technical Colleges!
<https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-grants/hope-career-grant/>
 - HOPE Grant
 - Zell Miller Grant
 - HOPE Career Grant

2-Year Colleges

- Earn an Associate's Degree
OR
- Take core classes to transfer to a 4-year college to pursue a Bachelor's Degree
- State Financial Aid opportunities!
<https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-scholarships/>
 - HOPE Scholarship
 - Zell Miller Scholarship

The Pros of attending a Technical or 2-Year College

<input type="checkbox"/> Save money!
<input type="checkbox"/> Great stepping-stone! Helps you adjust to college level work and a slower transition.
<input type="checkbox"/> Quick employment for certain careers. Offer many career opportunities.
<input type="checkbox"/> Your high school GPA and standardized test scores are not as heavily weighted for admission.
<input type="checkbox"/> Smaller class sizes.

ACCUPLACER EXAM: Computer Adaptive College Placement Test

- Used for admission to 2 Year and Technical Colleges (in place of SAT or ACT)
- Scheduled through the individual college
- Evaluates skill levels in reading, writing and math
- 3 Integrated Components: Placement Assessments, Diagnostic Assessments and Skill Building Support
- Immediate results

Hope and Zell Miller Scholarship

State Scholarship Programs

For the most up-to-date information on HOPE and Zell Miller scholarships and HOPE Grant, please visit <http://bit.ly/AHSHOPEinfo> or scan the QR code below.

Please note, your HOPE GPA is based on ALL English, Math, Science, Social Studies, and World Language classes. This GPA is NOT on your Allatoona transcript.

Hope Scholarship

- 3.0 HOPE GPA as calculated by the Georgia Student Finance Commission (GSFC) in core curriculum courses (English, math, science, foreign language, social science)
- Must earn a minimum of 4 credits from the academic rigor course list prior to graduating from high school. **(Review your HOPE transcript on GAfutures.org).** You can also review the HOPE Rigor Required Course Listing here: <https://www.gafutures.org/media/hvnifliu/rigor-list-january-2023-print-ready.pdf>
- Two year or four-year degree
- Must graduate from a GA high school
- Must be a GA resident for at least one year (Green Card or citizenship)
- **CURRENTLY** PAYS 100% of tuition for a two **or** four-year degree

Zell Miller Scholarship

- Requires 3.7 core high school (HOPE) GPA as calculated by GSFC (www.gafutures.org).
- Requires 1200 SAT Math and Reading or 26 ACT composite in one test sitting
- Must earn a minimum of 4 credits from the academic rigor course list prior to graduating from high school **(Review your HOPE transcript on GAfutures.org)**
- Pays 100% tuition for a two year or four-year degree
- Must graduate from a GA high school
- Must be GA resident for at least one year (Green Card or citizenship)
- Must maintain 3.3 in college. Student can drop to HOPE if GPA is lower than 3.3

Hope Grant

- No initial GPA requirement; 2.0 required after the first 30 hours
- Technical certificate or diploma
- Must have a high school diploma or GED
- Must be a GA resident for at least one year (Green Card or citizenship)
- Covers a percentage of tuition

Zell Miller Grant

- No initial GPA Requirement; Requires 3.5 college GPA for grant eligibility
- Does not require minimum test score
- Covers 100% tuition (retroactively covers previous semester once 3.5 GPA is earned) for certificate or diploma at technical college
- Must graduate from a GA high school
- Must be GA Resident for at least one year (Green Card or citizenship)

Hope Career Grant

- Enroll in certain high-demand certificate and diploma programs at a University System of Georgia (USG) or Technical College System of Georgia (TCSG) school
- HOPE Grant and Zell Miller Grant eligibility requirements apply
- Award amount: Awards are a fixed amount per term based on the program and number of hours enrolled; approved programs and award amounts available on GAfutures.org

Financial Aid Information

Grants & Scholarships

- Sources: Government, College, Private (business, organizations)
- Merit based or need based

Loans

- Must pay back - with interest
- Each loan has a different set of terms and conditions
- Pay attention to how much you'll need for college, monthly payments, and how much you'll have to pay on interest

Work Study

- Students have a job on campus
- Money earned helps to pay for school

Financial Aid Tips

- Are you interested in a major not offered in GA and going out of state doesn't seem possible?
 - Look into **Academic Common Market**. This program gives you the opportunity to study in a specialized field at an out-of-state college and pay in-state tuition rates.
<https://www.sreb.org/academic-common-market>
- **FAFSA Information:** <https://www.gafutures.org/federal-aid-scholarships/fafsa/>
 - Complete the FAFSA as soon as possible in your senior year.
- **Scholarships: It's a part-time job!**
 - Apply early and often!
 - Put together a resume and prepare a personal statement so you are ready to apply.
 - Create a notebook to keep track of all information.
 - Start local – Look at all Local Scholarships in Naviance.
 - Check with your employer and your parent's employer for different scholarship opportunities.
 - Check organizations you are involved with in your community.
 - **Check Naviance under Colleges – Scholarships – Scholarship List for scholarship opportunities (including local scholarships).**
- **Undocumented Students**
 - There may be additional options as provided by the specific college.
 - It is the student's responsibility to contact the college directly.
 - Talk to your School Counselor for more information.

Dual Enrollment

What is dual enrollment?

- Dual Enrollment (DE) is a Georgia funded program that allows 11th and 12th graders to take college courses that can simultaneously count toward high school and college requirements.
- The Dual Enrollment program covers tuition, mandatory fees and required textbooks.
- The goal of Dual Enrollment is to increase college access and completion and prepare students to enter the workforce with the skills they need to succeed.
- For detailed information regarding the dual enrollment program in Cobb County visit: <https://www.cobbk12.org/page/11444/dual-enrollment>

Where do most Buccaneers Dual Enroll?

- Kennesaw State University: <https://www.kennesaw.edu/dual-enrollment/index.php>
- Chattahoochee Technical College: <http://www.chattahoocheetech.edu/deeligibility/>
- Check out GAFutures to see all the schools that participate in dual enrollment.

What should I do if I'm interested in participating in dual enrollment?

- Research admissions requirements for the college you're interested in attending for DE
- Know application **deadlines** for individual schools (some are early)
 - The Allatoona DE deadline is earlier than the colleges, typically about 2 weeks.
 - If you are considering dual enrollment for senior year (fall or spring), you **MUST** submit an intent form during registration in the spring.
- Take SAT/ACT/Accuplacer (if required)
- Look into full-time and part-time options
- Talk to your parent/guardian about this experience
- Determine if you are you ready for college level work and responsibilities
- Make an appointment with your Allatoona School Counselor to discuss DE
- Consider challenges...
 - Activities during and after the school day
 - Transportation
 - Rigorous college level classes
 - Scheduling classes at college and high school

Check out the Allatoona DE website for additional information: <http://allatoonacounseling.weebly.com/>

Next Information Meeting: January 16, 2024

Naviance

Naviance Student is a comprehensive, web-based planning tool that will assist Allatoona students in managing the academic, career, and college aspects of high school. Naviance will be the primary method of college planning for Allatoona students.

Naviance Access for Students

Go to www.cobbk12.org/Allatoona > **Find It Fast** (top right-hand corner) and choose **Naviance**.
DO NOT GOOGLE NAVIANCE! It will prevent you from accessing the secure site.

LOCATION	USERNAME	PASSWORD
Home	Office 365 Username	Office 365 Password
School	Automatically Logged in If You Are Logged into O365
