What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Powder Springs Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Jillian Booth at 770-222-3746 ex 058 or Jillian.booth@cobbk12.org to provide feedback.

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2024, we will implement PL framework to meet the needs of all schools to ensure alignment with Superintendent Priorities as measured by PI opportunities, surveys, and student achievement .
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student achievement, perception and discipline data.

Powder Springs Elementary Goal(s) for Student Achievement

- By the end of the 2023-24 school year, the number of 1st grade students scoring in the proficient and advanced level of the MI will increase from 58 students {50%} to 75 students {65%}.
- By the end of the 2023-24 school year, increase the number of students in grade K-2 scoring 3 or above in elaboration and organization from 103 students (27%) to 163 students (43%) by implementing a common curriculum and grading practices with fidelity as measured by the Units of Study rubrics.
- Grades K-2 will focus on phonemic awareness, decoding, and organizing ideas elaboration

Teachers, Parents, and Students-Together for Success

Powder Springs Teachers

The Kindergarten-2nd Grade classrooms will work with students and their families to support students' success in writing. Our key connections with families will be:

- Provide families with resources through CTLS to help strengthen student's phonemic awareness, decoding and organizing ideas skills.
- Provide families with Lexia login to help strengthen and increase student's reading skills.
- Provide information and resources to parents using CTLS for effective communication.

Powder Springs Families

Powder Springs' parents joined staff to develop ideas about how families can support student's success in writing.

- Encourage and assist child with resources through CTLS at home to help improve phonemic awareness, decoding, and organizing ideas skills.
- Encourage and assist child to login to Lexia at home in order to help improve and increase reading skills.
- Encourage and assist child to login into CTLS for information and resources in order to communicate effectively with teacher.

Powder Springs Students

Powder Springs' students help develop ideas about how they can succeed in school and excel in writing. Students will support their own learning by:

- Login to CTLS at home with family and access resources to help increase phonemic awareness, decoding and organizing ideas skills.
- Login to Lexia and read grade-level books to help increase reading skills.
- Log into CTLS for information and resources to help increase effective communication with teacher.

One Team, One Goal, Student Success!
