

Random Acts of Kindness Week

Keheley Elementary School will be celebrating Random Acts of Kindness Week by holding a Kindness Day on Tuesday, February 14th. Each staff member will have stickers to give to any student or adult they see performing a random act of kindness that day. Children who earn stickers will give their name to their classroom teacher, as one name from each class will be drawn and announced on Wednesday morning, February 15th. The students named will come to the Counseling Suite to receive a Kindness Certificate and a Goody Bag, and to be in a group picture that will be displayed on the TV in the atrium.

You can celebrate Random Acts of Kindness anywhere, and any time! Here are some resources you can share with your family:

The Random Acts of Kindness Foundation offers a Kindness at Home program with 24 weekly lessons delivered to your email address. <https://www.randomactsofkindness.org/kindness-at-home>

The Great Kindness Challenge: Family Edition has short videos, information, and a free kindness checklist. You can access the site at <https://thegreatkindnesschallenge.com/familyedition>
