2026-2027 KELL HS ELECTIVE REGISTRATION FORM ASSURANCES

1. I have carefully selected the elective courses I wish to take next school year, and these choices reflect my academic goals, graduation requirements, and postsecondary plans.
2. I understand that my course requests are final and may only be changed through the official schedule change process defined by the school scheduling department.
3. I understand that my alternate course selections may be used if my first-choice classes are unavailable due to conflicts, capacity limits, prerequisites, or other scheduling constraints.
4. I am aware that my final schedule is subject to change based on teacher availability, staffing, course enrollment numbers, and overall school scheduling needs.
5. I agree to review my finalized schedule when released and complete the schedule correction process if I believe there is an error based on graduation requirements or completed prerequisites.

IF I am taking AP Courses...

1. I am aware that they require in-depth study and a willingness to go beyond usual class requirements and preparation (including summer reading and assignments). I am willing to invest the time and effort.
2. This is a more challenging class and will require more work on my part. **I will not be able to drop this course outside of schedule change windows, despite difficulties I may experience or changes in academic goals.**
