

**KENNESAW
MOUNTAIN**
HIGH SCHOOL

ABOUT

Welcome to Kennesaw Mountain High School, an academic anchor for Cobb County. Their 1150 average SAT, a #36-in-Best-High-School-in-Georgia U.S. News ranking, and 90%+ Milestones proficiency in both math and science put the Mustangs in the district's top tier. The Academy of Mathematics, Science, and Technology magnet produced six National Merit Semifinalists in the Class of 2026 alone. Add a state pole vault champion and a competitive marching band, and your student has room to excel in every direction. **There has never been a better time to be a Mustang.**

MISSION

A community of learners committed to student success

VISION

All KMHS students are career or college ready

PREMIER ACADEMICS

Kennesaw Mountain posted a 1150 average SAT in 2025, among Cobb's top-performing high schools and well above the Georgia (1038) and national (1029) averages. On the 2025–26 Georgia Milestones, Kennesaw Mountain was one of only six Cobb high schools with 90%+ proficiency in both math and science.

A CERTIFIED STEM MAGNET

Kennesaw Mountain houses the Academy of Mathematics, Science, and Technology — certified by both Cognia and the state of Georgia — offering AP coursework and lab-based study in math, physical science, life science, and computer science.

ATHLETICS & ARTS

Junior Ava Okeke won the 2026 Class 5A girls pole vault state championship, clearing 13 feet. The Kennesaw Mountain marching band placed 5th overall at the Georgia Marching Band Collective and competed at the Bands of America Southeastern Regional among 25 bands, while two students earned 2026 Governor's Honors Program selection through competitive music auditions.

FUTURE-READY PATHWAYS

Career pathways span Broadcast and Video Production, Graphic Design, Web and Digital Design, Computer Science, Engineering Drafting and Design, and Culinary Arts.

The Parent Perspective

"Between the math and science magnet and the arts, KMHS gave my student both rigor and joy."

The Student Experience

"The classes here ask a lot, and that is the point. Kennesaw Mountain got me ready for exactly what comes next."

Our first team championship, won in 2024 in boys soccer, told this community what we already knew: Kennesaw Mountain students finish. In the classroom, our magnet and our AP results say the same thing.

Nathan Stark, Principal

HIGH SCHOOL

BY THE NUMBERS

1150 average SAT (2025) — among Cobb's top performers, against a district average of 1116 (best in metro Atlanta), Georgia's 1038, and the national 1029.

90%+ proficient in both math and science on the 2025–26 Georgia Milestones — one of only six Cobb high schools to clear that bar.

6 National Merit Semifinalists in the Class of 2026.

13-foot state championship vault — junior Ava Okeke's winning height at the 2026 Class 5A girls track & field championship.

#36 in Georgia — #1,198 nationally, per U.S. News & World Report's 2026–27 Best High Schools rankings.

5th place — the marching band's finish at the Georgia Marching Band Collective (October 2025).

\$1,000 Dreams of Lois Scholarship — awarded to 2026 graduate Gabby Ertle, one of only two recipients statewide.

ACCOMPLISHMENTS

State Track & Field Champion: Junior Ava Okeke won the 2026 Class 5A girls title at 13 feet.

State Swimming Champion: Senior Isaiah Tucker won the 2026 Class 5A boys titles in 100 Backstroke and 100 Butterfly.

Six National Merit Semifinalists: Gheneruno Ekuerhare, Dheeraj Kondragunta, Mahika Mamidipalli, Everett Pounds, Sarah Sadegh, and Ishaan Saini (Class of 2026).

National Merit Scholarship Winner: Senior Sarah Sadegh won a University of Alabama-sponsored National Merit Scholarship in engineering.

Statewide Scholarship Honor: Gabby Ertle was one of only two 2026 Dreams of Lois Scholarship recipients statewide, recognized for resilience and community service — she founded the school's 4Girls club and volunteered with Cobb's Special Needs Dance.

Governor's Honors Program: Filip Davidson and Haven Weaver were selected for the 2026 program after competitive music auditions.

Competitive Marching Band: Placed 5th at the Georgia Marching Band Collective and competed in Bands of America Southeastern Regional finals among 25 bands (fall 2025).

First Team State Title in School History: Kennesaw Mountain boys soccer won the 2024 Class 7A state championship, beating crosstown rival Campbell 2-0. It was the school's first state title in any team sport.

ED-SPLOST Thanks to community support through Ed-SPLOST, Kennesaw Mountain has new stadium lighting and new auditorium seating already delivered, and a major renovation is in design: full-facility HVAC replacement, renovated restrooms, CTAE Construction Lab upgrades, new gymnasium bleachers, and a new fire alarm system.

AUDITORIUM SEATING REPLACED
STADIUM LIGHTING UPGRADED
