We're excited to announce our Fall Clubs in ASP for the coming semester. We hope you find something that your child will enjoy!

A few things to remember:

1. To participate in an ASP club, your student **MUST** be registered for ASP and have paid the \$20 yearly registration fee before students will be allowed to stay for a club. ASP registration will open in July for the upcoming school year. You will only be charged a daily ASP fee for the days your child stays in ASP.
2. You will be asked to select your child's dismissal after club when you register. As much as possible, please keep this dismissal consistent and not switch how your child is going home after the clubs.
3. Club registration ends on August 21<sup>st</sup>. Absolutely **NO** registrations will be accepted after this date for any reason.
4. If school is not in session for the students, clubs will not meet that day.

**Robotek/STEAM Club – Registration Link: [www.thesteamclub.com/classes](http://www.thesteamclub.com/classes). 2<sup>nd</sup> – 5<sup>th</sup>**

We aim to SPARK the excitement of young people for ART, SCIENCE & TECHNOLOGY in a setting that allows them to explore, question, and experiment with fascinating facts, projects and activities. Through discovery-based learning, students carry out experiments, engage in team activities, create artistic masterpieces, build and program robots, learn new technologies, and see how art & science works in the real world. Our programs are full STEAM ahead...Science, Technology, Engineering, Art, and Math and designed to inspire future innovators! \$295/semester

**Spanish Club – Registration Link: [www.spanishnowasp.com](http://www.spanishnowasp.com) K – 5<sup>th</sup>**

We are thrilled to continue our Spanish enrichment after-school program! We are a well-established, Cobb County foreign language enrichment program. Classes are taught by creative and enthusiastic Spanish teachers. We create a productive and fun learning environment, where the children have an opportunity to build a strong vocabulary in different units and establish basic language skills. Children previously enrolled in the program will be introduced to new content and challenged with new curriculum. We offer classes for beginners, intermediate and more advance students. We provide the materials and supplies needed for all students. \$230/Semester
