*****1 Primary Composition book (Space for picture at the top and dotted lines on the bottom) ****The Primary Journals have a space for drawing and lines for writing. MEAD is the supplier of the ones that are best for teaching handwriting. They have a blue solid line, a blue dashed middle line, and a red bottom line. Please do not purchase the regular composition notebooks; the lines are not correct for kindergarten writing. These *Primary Journals* are sometimes difficult to find. We suggest Staples, Office Max, or School Box. Please shop early. ☺
