

ABOUT Welcome to Lassiter High School, where East Cobb tradition meets uncompromising excellence. For four decades, Trojans have set the standard — in the classroom, in the pool, on the stage, and in the stands. Lassiter offers strong graduation outcomes, nationally ranked academics, and championship programs across athletics and the arts. There has never been a prouder time to be a Trojan.

MOTTO Reaching Excellence and Climbing Higher

PREMIER ACADEMICS

A College Board AP powerhouse: a 2026 Georgia AP Honor School in five categories, including AP School of Distinction. With roughly 30 AP courses and SAT scores that rank among the very best in Georgia, Lassiter students build a strong foundation for college.

FUTURE-READY PATHWAYS

From the LHS STEM Academy's research-driven engineering and biomedical pathways to internationally competitive DECA business students, Trojans graduate with real-world skills and a head start on their careers.

ELITE ATHLETICS & ARTS

State championship swimming, region championship basketball, and a marching band that wins Grand Champion honors out of state are achievements that reflect the breadth of Lassiter's athletic and arts programs.

TROJAN NATION COMMUNITY

With Georgia's most spirited student section — officially designated by the GHSA for two straight years — plus 30 clubs that come together to serve neighbors in need, every Trojan belongs and gives back.

The Parent Perspective

"Lassiter combines high expectations with genuine warmth. Both of my children were known, challenged, and celebrated."

The Student Experience

"Between AP classes and Friday nights, there is a standard here. You feel it your first week, and by senior year you are the one setting it."

Reaching excellence and climbing higher has defined Lassiter for over forty years.

Region champions on the court, state champions in the pool, and a top-ten SAT in Georgia. **Our students climb.**

ACCOMPLISHMENTS

History in the Water: Boys' AND girls' swim & dive both captured the GHSA 5A state championship in February 2026 — the girls' seventh consecutive title, the boys' first ever, and the first same-season sweep in school history.

35 Years in the Making: Boys' basketball beat Woodstock 48–39 on Feb. 20, 2026, to claim the Region 6-AAAAA championship — the program's first region title in 35 years.

Loudest in Georgia — Again: Trojan Nation won the GHSA Student Section of the Year for the 5A–6A classification in 2025, going back-to-back after winning in 2024.

Grand Champions: The Lassiter Marching Band took Overall Grand Champion at the 29th Annual Tarpon Springs Outdoor Music Festival in Florida, including the Fred J. Miller Outstanding Visual Performance Trophy and first place in eight categories.

Business on the World Stage: Six DECA students earned automatic qualification to the International Career Development Conference following the state conference.

Champion Debaters: Diego Aramburu Ibarra and Max Lukens won the Woodward Academy National Championship in first-year Public Forum Debate — a Lassiter first — while Congress competitors finished GFCA State Runner-Up. (2025–26 season)

Trojans Give Back: More than 30 clubs joined forces in December 2025 to donate 1,426 items to MUST Ministries and assemble 274 hygiene packs for Children's Healthcare of Atlanta.

Steady Leadership: Principal Dr. Chris Richie leads a veteran team with deep East Cobb roots.

TROJANS

ED-SPLOST Thanks to community support through Ed-SPLOST, Lassiter's campus is keeping pace with its classrooms. The track is freshly resurfaced, a stadium refurbishment with rebuilt grandstands, a renovated press box, and ADA improvements is in design, and a campus-wide renovation package is planned, from exterior doors and windows to new fine arts acoustics and updated restrooms.
