

Kennesaw Mountain High School
STEM Magnet Program
Freshmen **Magnet Biology**
Summer Work 2026

Magnet Biology summer work is due by Friday, August 7th by 11:59pm.

Welcome to the Magnet program at KMHS! We are so excited that you are here. All freshmen students will take magnet biology in the Fall of 2026. Before we begin our semester, it's imperative that you take time to refresh some skills that will be necessary for success in this course. Please follow the instructions below to complete the required summer work. If you have any questions, please complete the form:

<https://forms.office.com/r/nRX0vEvhu1>

or scan the QR code →

STEP 1: JOIN OUR ONLINE WIZER CLASS.

1. Go to <https://app.wizer.me> and click on the “Join now” button in the upper righthand corner.
2. Click “I’m a Student”.
3. IF you were a student at a Cobb County middle school, click on “Connect with Microsoft” to login with your **students.cobbk12.org** email account. The password would be the same password you use to login to a school computer.
4. IF you were NOT a student at a Cobb County middle school, thus do not yet have a student email address, make an account using a personal email address. Be sure to use your full legal name when creating the account profile.

STEP 2: COMPLETE THE WORKSHEETS

1. There are 4 worksheets for you to complete. When you are logged in, click “Solve A Worksheet” at the top of the page. Enter the following PINs for each worksheet: (Complete in any order)
 - a. **KN00FY – Scientific Method and Graphing**
 - b. **1UAPF1 – Reading Scientific Research in Biology**
 - c. **RV4A18 – Scientific Article Analysis**
 - d. **NWG59C – Scientific Questioning**

When you are finished with each worksheet, click “Hand in Work” and then “Submit”. Complete all four worksheets. You do not need to complete them all at the same time, but once you begin a worksheet, you should finish it in one sitting. If you stop working and come back, you may lose your work.

2. You should be able to track your progress and see the worksheet name and status under the Assignments tab on your profile as you complete them. See you in August!
