

Math Club

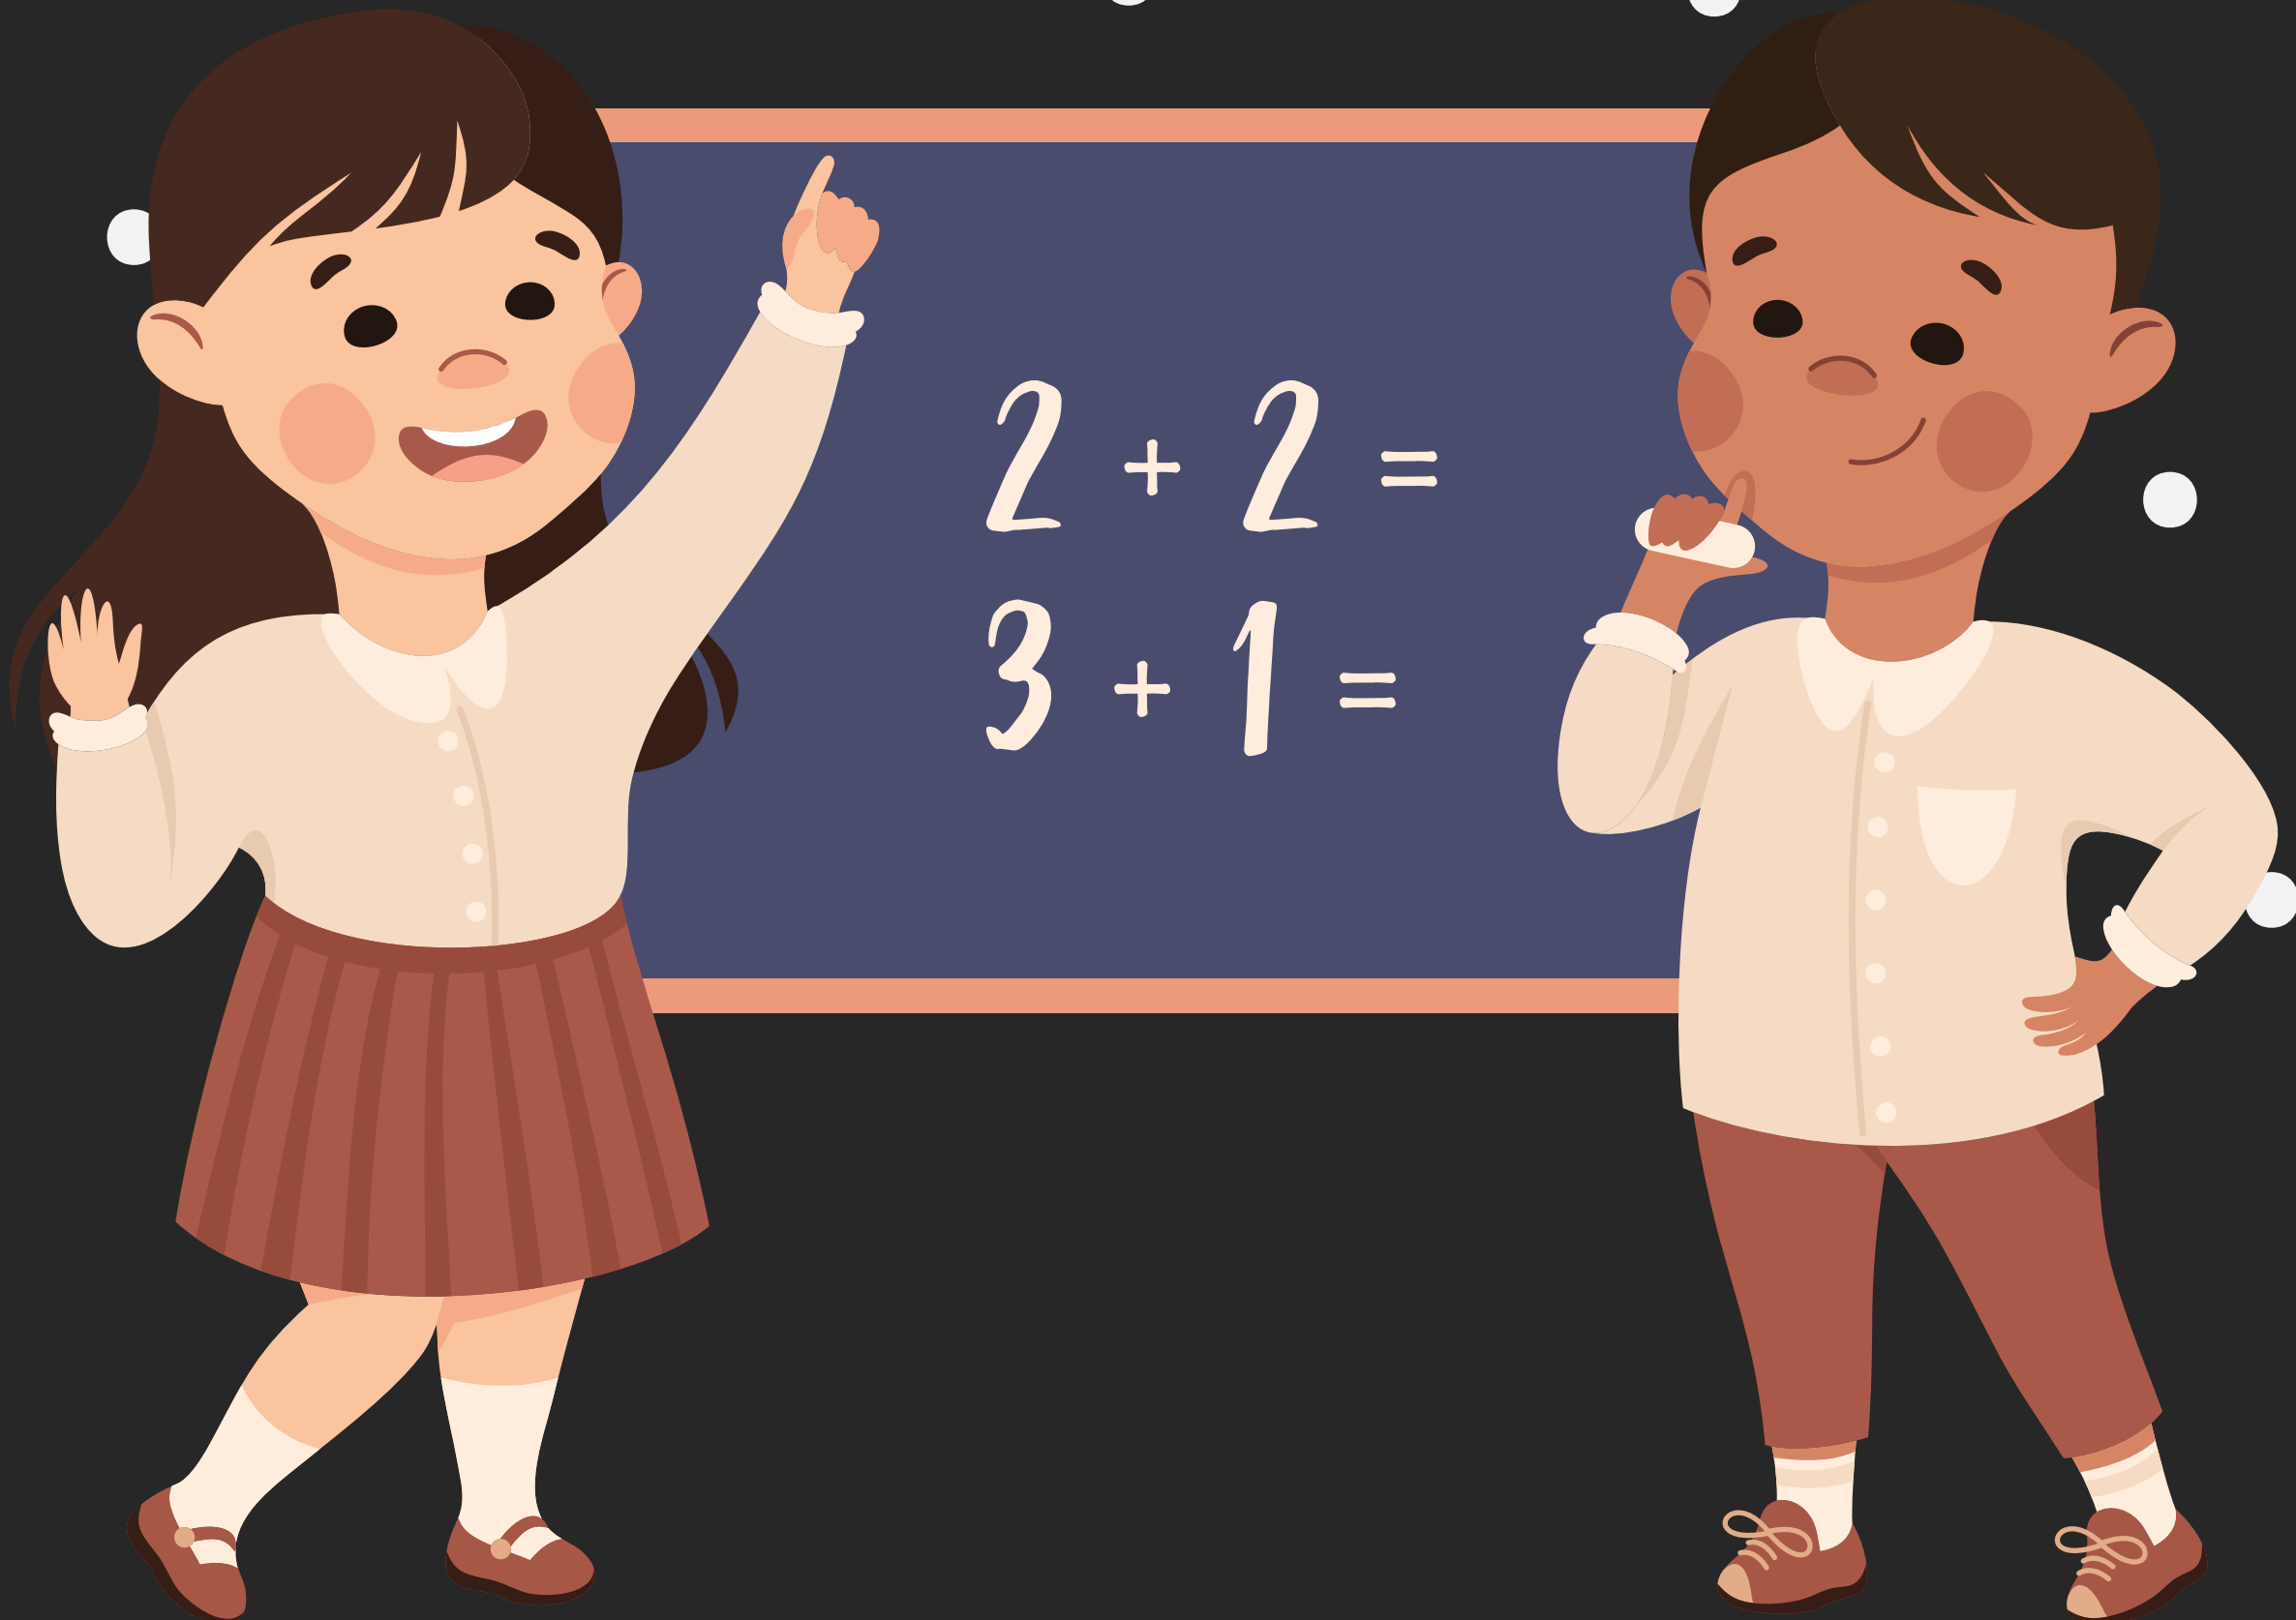

The Purpose of Math Club is to develop students' level of Math skills and knowledge. This will be accomplished by using games, activities, and mock competitions. Students will cooperatively work to complete Logic and Math Puzzles. Math Club will support classroom learning, enrich their skills with higher order thinking, and prepare students for future Math Competitions.

Math Club will meet the first Wednesday of every month, with our first meeting on Wednesday, September 6th. It will end at 5:30. Bus transportation will not be provided. Please return by Monday, September 15, 2012. Please contact Ms. Neary/Dr. Sharma at lisa.neary@cobbk12.org Vineeta.sharma@cobbk12.org with any questions.
