## Moby Max Math for Parents

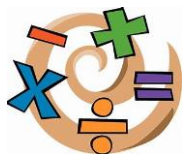

Click here to review the recording

[www.mobymax.com](http://www.mobymax.com)

Presented By: Paige Hughes, K-5 Math Coach

[jennifer.hughes@cobbk12.org](mailto:jennifer.hughes@cobbk12.org)

- I. What is Moby Max?
- II. How can it benefit students?
- III. How can parents see their child's progress?

## Math Manipulatives for Tiny Mathematicians

Click here to review the recording

Presented By: Paige Hughes, K-5 Math Coach

[jennifer.hughes@cobbk12.org](mailto:jennifer.hughes@cobbk12.org)

- I. What is the purpose of math manipulatives?
- II. How can my child use pattern blocks, 3D figures, and two-sided counters to build math reasoning and understanding?
