What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of McCall Primary School worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Kelli Stagich at 770-975-6775 or kelli.stagich@cobbk12.org to provide feedback.

Teachers, Parents, and Students-Together for Success

McCall Primary Teachers

Provide parents with educational websites, computer resources, and educational games to use at home to help in their child's development in reading and math.

Provide decodable passages/books for take home practice.

A classroom newsletter will be sent home monthly to all families with ideas for easy home learning activities that address reading and math such as family math problems and suggested age appropriate reading materials.

McCall Primary Families

Discuss how our family uses math in our daily life.

Read to my child to help him/her to reach the goal of reading One Million Words.

Check my child's binder or folder daily, look for the MPEC sent out weekly through email, and check the school website monthly to keep up to date with what is.

McCall Primary Students

Spend time reading at home to reach the goal of reading One Million Words.

Complete homework/reading assignments sent home by my teacher.

I will practice one math word problem I learn each month with my family.

One Team, One Goal, Student Success!
