Academic Honesty

- Except for projects for which collaboration is permitted, students are expected to complete homework and classwork on their own. If it is determined that a student either gave or received answers from another student, those students (both the giver and the receiver) will receive a zero on that assignment. The student's conduct grade may also be lowered one category. If the assignment is an assessment, the teacher may allow the student to retake the assessment and average the zero and retake grade for a final grade.
- The same consequences apply if a student is found to have plagiarized work.
- Repeated offenses of academic dishonesty may be referred to administration as insubordination.
- Based on the assignment, the teacher will have discretion whether to offer additional credit opportunities.
- May result in disciplinary referral

Attendance

- Being present in school and an active participant in class are an integral part of academic achievement and the teaching-learning process. Once a student arrives on the school campus, he/she may not leave until dismissal or is signed out by a parent/guardian.
- Excused absences include:
 - Personal illness
 - Death or serious illness in immediate family
 - Recognized religious holidays
 - Mandated by order of government agency
- A note from the parent/guardian explaining an absence(s) must be turned in to the attendance office. It may also be submitted when the student returns to school. Failure to submit a note within three (3) days of an absence will result in the absence being marked unexcused. (CCSD Administrative Rules, JB-R)
- Five (5) unexcused absences- The school will send a letter informing parent of the five (5) unexcused absences.
- Seven (7) or more unexcused absences- Students and/or parents will be subject to a referral to the social worker to improve attendance.
- Students who miss the bus must be transported to school by the parent/guardian. Missing the bus is not an excused absence.
- Early dismissal – If a student needs to leave school prior to dismissal, please use the following procedures:
 - Please send in a note with student name, grade, and date/time of dismissal.
 - Students turn in notes to the Attendance Office and receive an early dismissal pass for the designated time.
 - It is the student's responsibility to report to the office at the appointed time to minimize interruption of instructional time.
 - Early dismissals must occur prior to 3:45 pm. Please allow adequate time to comply with check-out procedures.
 - Parents / guardians, or designees, will need to show identification at the time of checkout.
- Extra-curricular Events – Students must be present in school half of the day to be eligible to participate in an after-school extra-curricular event. The half day mark is 12:45 PM
- Absence Make-Up Work - Assignments should be completed within the number of days equal to the number of days the student was absent plus one additional day and can be obtained CTLS. If students miss an assessment, they need to contact their teacher to schedule a time for make-ups.

Beverages

- Water is the only beverage allowed for students in the classrooms during the school day. No water will be allowed at a computer workstation.

Clinic

- Our clinic is staffed by a licensed medical professional. Students who need first aid should go to the clinic.
- Sick at school - Should a student become ill during the school day; he/she should go to the Clinic for evaluation. Parents will be called to pick up students who are ill. Please be sure current contact numbers are on file with the clinic. The School Nurse needs to see the student prior to them calling a parent for pick up.
- Medications at school – Medication to be taken at school must be in its original container and must be brought to school by the parent/guardian, not the student. A medication form must be on file with the school clinic.
- Students are responsible for coming to the clinic for medication at the appropriate time of day.
- Middle School students may carry certain over the counter medications along with a completed "Authorization to Carry Over-the Counter Medication" Form JGCD-7 on file with the clinic and on his / her person. The medication must be kept in the original container.
