

About Kell PTSA

(Parent, Teacher and Student Association)

PTA is no longer a noun. It's a verb – an action plan working to support your child's success.

It's an invitation to every family in every school to participate because we can do more together than we can do apart.

PTSA offers all parents and guardians the opportunity to commit to the potential of their students. Being a PTA member means being part of a powerful partnership and action plan that focuses on programs and initiatives that strengthen your children's education and family-school collaboration.

What Does the PTSA Do for Kell?

- Awards teacher mini grants to purchase items for classrooms
- Staff appreciation luncheons and events
- Scholarships for Seniors
- Homecoming Community Party
- Senior Activities, including Senior Breakfast and Baccalaureate
- Helps the school with various events such as Block Parties and Red Ribbon Week
- So much more.....
