

OSBORNE HIGH SCHOOL

ABOUT

Welcome to Osborne High School in Marietta, Cobb's oldest high school and its proudest turnaround story. In August 2026 the Cardinals won the Cobb Cup as the district's Athletic Program of the Year, a first in school history. The same month, biology teacher Lisa Peacock was named Cobb's District-Level High School Teacher of the Year. With a rebuilt campus, the original Cobb Innovation and Technology Academy (CITA), and a growing bench of community partners, your student is stepping into a school writing its best chapter. There has never been a better time to be a Cardinal.

MISSION

One Goal. Many Paths. Student Success!

VISION

Our vision is for Cardinals to be prepared and passionate in pursuing their purpose.

ACADEMICS ON THE RISE

Osborne posted a 83.1% graduation rate for the Class of 2026 up 4.2 points from 2025. Osborne offers Advanced Placement coursework, Advancement Via Individual Determination (AVID), and grade-recovery support as part of that push.

A CAREER ACADEMY ON CAMPUS

Osborne hosts the original campus of the Cobb Innovation and Technology Academy, giving students direct access to a tuition-free career academy with industry credentials and employer partnerships — including a \$2 million Wellstar Health System healthcare pipeline.

AWARD-WINNING ATHLETICS

In August 2026, Osborne Athletics won the Cobb Cup as the district's Athletic Program of the Year — the first in school history — a district honor based on competitive success, character development, and safety measures across every varsity sport.

A REBUILT CAMPUS AND A GROWING PARTNER BASE

Osborne's modern campus was rebuilt by Carroll Daniel Construction. At the 2025 Partners in Education Summit, LGE Credit Union, Caribou Coffee, and HDZ Landscape — owned by 2021 Osborne graduate Daniel Lazaro — formalized new commitments to the school.

The Parent Perspective

"Osborne believed in my son when he did not believe in himself. That is what this school does."

The Student Experience

"Osborne teachers stay on you until you get it. The growth showing in our scores is something we felt in class first."

One goal, many paths. Our first girls wrestling state champion, a band that performed in The Alamo Bowl, and accounting students filing four thousand real tax returns: **Cardinals find their path here.**
