- *PBIS*
 - *What do you know about PBIS?*
 - *What do you want to know more about?*
- *Roadrunner Race*
- *Next Steps*
 - *Next meeting January 8th at 7:15 am*

Purpose:

The District believes family and community engagement is critical to student and district success. The establishment of Principal Advisory Councils is intended to provide a means by which parents, community members, and school staff can work together to create a better understanding of and mutual respect for each other's concerns and share ideas for school improvement.

Minutes:

Introductions were made. The purpose of PAC was discussed along with the norms and the mission and vision of Rocky Mount.

Dr. Vaniman shared the School Strategic Plan with the team. This year, Rocky Mount is focusing on strategies that help our students who already know the standard. The staff will be trained on strategies and ideas on how to accelerate students who have already shown mastery of the standard.

Dr. Vaniman discussed that we are a PBIS school. The pledge was said and the team discussed how students earn PBIS rewards. Participants asked about whether points go away at the end of the year. We tell the students to spend their points by the end of the school year. This year we will have a week where students can purchase rewards.

Dr. Vaniman discussed the Roadrunner Race and how it is our big fundraiser for the year to support our STEM program.

Open Agenda: It was expressed that parents didn't realize RI/MI are no longer. Dr. Vaniman will send information out to let everyone know. A parent expressed wanting a sidewalk on the side where the marquee is. Dr. Vaniman will reach out to SPLOST to see what our options are. A parent expressed concern about dismissal from clubs and that it is crowded. Dr. Vaniman will speak with the ASP director to see what options we have. The group asked to have the Learning Commons explained to the community so they understand what their children will be doing in that specials class.

Next meeting is January 8th at 7:15 am.
