

Principal's Advisory Committee (PAC) Minutes

10/9/25 @ 9am

The PAC members present: Ms. Charlene Holder (Title I Parent Facilitator), PJamie Webb (Booster One Treasurer & Pebblebrook Alumnae Association), Sheldon Bulluck (PAC Advisor/Assistant Vice Principal), Eric Coleman (Pebblebrook Alumni President), Judy Weems (Parent & Community Business Partner) & Dr. Dana C. Giles (School Principal).

Dr. Giles presented a thorough presentation of the Athletic Program at Pebblebrook High School. PAC Members were able to hear directly from three (3) 12th grade athletes about the positive impact Pebblebrook Athletics has had on their high school experience. A chart depicting tiers of business sponsorship levels was presented at this meeting and the need for financial assistance from the community was explained. All participants were very engaged in the presentation and wanted to know more regarding how they could spread the word to the Pebblebrook community about this new vision and mission for Pebblebrook Athletics. Mr. Bulluck was agreeable to continue the dialogue on the great things happening within the school's athletic program and go out to have face- to -face meetings with community business leaders to help solicit additional financial support.
