What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Norton Park worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact **Liliana Cermeno** (678) 842-5833 x031 or liliana.cermeno@cobbk12.org to provide feedback.

Norton Park Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face-to-face.

Volunteer Opportunities:

- Classroom Readers (In person or virtual)

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2024, we will implement the professional learning framework to meet the needs of schools to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student academic, perception and discipline data.

Norton Park Goal(s) for Student Achievement

- 60% of students in each grade, 1-5, will score proficient or above on the summative math assessment, based on the 10-day math assessment cycle by May 2024..
 - 85% of students in each grade level K-2 will achieve an Early Literacy Framework Assessment score of at least 90% by May 2024
- The percentage of students in each grade level, third through fifth, reading on or above grade level will increase by 10% according to the Next Steps Guided Reading Assessment from August 2023 to May 2024.
- Reduce the number of office referrals from 274 (May 2023) to 233 (15%)by the end of May 2024.

Teachers, Parents, and Students-Together for Success

Norton Park Teachers

In the 3rd grade Classroom

Norton Park teachers will work with students and their families to support students' academic achievement. Some of our key connections with families will be:

- Provide students multiple opportunities to practice multiplication and division facts (0-9) to build fluency.
- Provide students opportunities to ask and answer questions about a text during guided and independent reading.
- Instruct students in real life situations how to be safe, on-task, accountable, and respectful. (SOAR)

Norton Park Families

At Home

Norton Park Parents will work together to develop ideas about how families can support their student's reading, math, and writing instruction.

- Practice multiplication and division facts (0-9) at home with your child.
- Ask your child questions about their independent reading book.
- Discuss with your child how they can be safe, on-task, accountable, and respectful in real-life situations.

Norton Park Students

Students

Norton Park Parents and students will work together to develop ideas about how they can succeed in school and achieve in reading, writing, and math.

- Practice multiplication and division facts (0-9) daily.
- Read at least 20 minutes daily and discuss your book with your parents.
- Use SOAR expectations to make good choices at school daily.

One Team, One Goal, Student Success!
