## What is a School-Parent Compact?

*A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.*

## Jointly Developed

The parents, students, and staff of Norton Park worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Liliana Cermeno (678) 842-5833 x031 or [Liliana.Cermeno@cobbk12.org](mailto:Liliana.Cermeno@cobbk12.org) to provide feedback.

## Norton Park Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face-to-face.

### Volunteer Opportunities:

- Classroom Readers (In person or virtual)
- Media Center
- Title I Planning Committee

### Partnership Meetings:

- Annual Title I Parent Informational Meeting
- Open House
- Meet and greet
- Title I Parent Input Meetings
- Parent Teacher Conference Week

### Family Engagement Opportunities:

- Curriculum Content Nights
- Strategy Training to Assist Students at Home
- Parent Resource Room

## Norton Park Activities to Build Communication

## District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2024, we will implement the professional learning framework to meet the needs of schools to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student academic, perception and discipline data.

### Norton Park Goal(s) for Student Achievement

- 60% of students in each grade, 1-5, will score proficient or above on the summative math assessment, based on the 10-day math assessment cycle by May 2024..
- 85% of students in each grade level K-2 will achieve an Early Literacy Framework Assessment score of at least 90% by May 2024  
The percentage of students in each grade level, third through fifth, reading on or above grade level will increase by 10% according to the Next Steps Guided Reading Assessment from August 2023 to May 2024.
- Reduce the number of office referrals from 274 (May 2023 to 233 (15%)by the end of May 2024.

# Teachers, Parents, and Students-Together for Success

## Norton Park Teachers

### In the 4<sup>th</sup> grade Classroom

Norton Park teachers will work with students and their families to support students' academic achievement. The focus of our key connections with families will be:

- Provide multiple opportunities for students to practice multiplication and division facts (0-12) to build fluency.
- Provide opportunities for students to practice summarizing and discussing themes of a text during guided and independent reading.
- Instruct students on how to be safe, on-task, accountable, and respectful at school. (SOAR)

## Norton Park Families

### At Home

Norton Park parents will work with their students and staff to support the student's academic achievement. Some of the ways you can help your student at home are:

- Become familiar with the math strategies students are using in school. Ensure your student is practicing multiplication and division facts (0-12) to build fluency.
- Read to or with your student daily to help practice summarizing and discussing the theme of a text.
- Discuss how you are safe, on-task, accountable, and respectful in your life and real world examples.

## Norton Park Students

### Students

Norton Park students will work with their teachers and parents to develop the skills necessary to be successful in fourth grade. Some of the activities students can do at home to achieve this are:

- Practice multiplication and division facts (0-12) to build fluency. Use math strategies learned in class to solve math problems.
- Read each night for at least 20 minutes to practice summarizing and discussing the theme of the text.
- Use the SOAR expectations on a daily basis to make good choices at school.

*One Team, One Goal, Student Success!*
