Parenting with Love & Logic

6 SESSION CLASS

BRING BACK THE FUN TO PARENTING!

The Love & Logic Parenting class at East Side Elementary School helps make parenting fun and rewarding instead of stressful and chaotic! Learn practical tools and techniques to develop respectful and healthy relationships with your children! This research-based philosophy teaches children to take responsibility for their choices and failures. At the same time, parents stand by them with love and empathy!

TIME AND DATES OF CLASSES

9:30 – 11:00

- January 5
- January 19
- January 26
- February 2
- February 23
- March 3

SESSION TOPICS

1. Putting an end to back-talk and begging
2. Teaching responsibility without losing their Love
3. Setting limits without waging war
4. Avoiding power struggles
5. Guiding kids to own and solve their problems
6. Teaching kids to complete chores without reminders

JOIN MRS. BRIGGS, SCHOOL COUNSELOR

This class is filled with laughter, learning, and community as we work together and learn from each other.
Join Mrs. Briggs as she presents Parenting with Love & Logic in the Professional Development Room. The class will meet for 6 sessions. The parent workbook is $12. Please RSVP and purchase your workbook by December 4th.

Go to MyPaymentsPlus to purchase the workbook (one per family). That will count as your class registration as well!
