CTLS Parent

Primary Uses/Purposes

- Receive school and district communication and alerts
- Send/receive communication with teacher(s)
- View certain State Assessment data/results
- Receive absence alerts/submit absence notes
- View school calendar (when applicable)
- View student schedule
- View student's Digital Classroom(s)
 - Announcements on the Class Board(s)
 - Calendar events from the Classroom
 - Assignments/Assessments given through CTLS (view-only)
 - Grades for CTLS assignments (does not necessarily reflect all grades, only those administered digitally via CTLS. CVA is the exception to this, because all assignments are given via CTLS for those classes)

How To Access

Web: <https://ctlsparent.cobbk12.org>

App: CTLS Parent app from Apple or Android

Enrolling Adult or secondary adult with education rights with existing ParentVue account:

Login using your ParentVue credentials

Non-enrolling adult with education rights without a ParentVue account:

Click "Don't have a ParentVue Account" and create a new account specifically for CTLS Parent

Note: If you are a parent who is also a staff member, you can choose to keep your personal and staff accounts separate or merge them.
