Frequently Asked Questions:

- **How can I get a parking permit?**

Student Parking Permits are available for purchase from the Clerk (Parking) in the Front Office. Students must complete the parking permit application and pay for the permit.

You have two ways to do this:

Electronically: Download the application from Kell's webpage: www.cobbk12.org/kell
In the menu section on the webpage, select "resources" and then "student parking info". Students may complete the application and then email the application and scanned copies of the required attachments to the Clerk: jeri.gardner@cobbk12.org . Payment is accepted via cash (exact change) or check (payable to Kell HS) in the Front Office. Payment is also available online at MyPaymentsPlus.

In Person: Pick up a paper application from the Front Office or print it from the webpage. Submit the paper application, required attachments, and payment to the Clerk in the Front Office.

To qualify for parking privileges, the student must be in good standing with regards to disciplinary status, attendance, outstanding items, fines, parking tickets etc. These issues will prevent a permit from being issued.

No refunds will be issued for any reason. This includes, but is not limited to: those days students do not attend classes, suspension/revocation of parking privilege, removal of permit, etc.

- **How long will it take to receive my parking permit? How will I know if there is a delay in issuing my permit?**

Application processing takes 48-72 hours (2-3 school days) after our receipt of **properly completed** applications with payment. We will notify each student one (1) time via their Cobb County School District (CCSD) email when their permit is ready for pick up. We will also notify them one (1) time if their application has any problems that prevent the permit from being issued.

- **How much does a permit cost?**

Permits are \$50 for the first car for the first and \$5 for each additional car – same driver. The county does pro-rate first car fees based on number of school weeks left in each semester. For the most up to date first car fee, please consult the fee schedule posted on Kell's website and within the permit application. Additional car permits are always \$5.00 and do not follow a pro-rate schedule. Additional car permits are for the SAME DRIVER, different car.

- **How long are permits valid for?**

Permits are valid for **one (1) semester only**. Students must complete the full permit application EACH SEMESTER. to park at Kell HS for the entire school year, students must purchase specific Fall and Spring permits for all vehicles they wish to drive to campus.

- **I have a sibling at Kell. Can we purchase a \$50 permit & a \$5 permit so we can both drive?**
No, siblings must each purchase a \$50 permit if they both drive each day. They cannot both be parked on campus at the same time without a permit. \$5 permits are for a 2nd car-SAME DRIVER.
- **Are one (1) day parking passes available?**
Yes, students may purchase a maximum of seven (7) one day passes per semester. Cost per pass is \$1.00 cash (exact). Purchase in person, at the Front Office prior to 8:15am; Monday-Friday. You must show proof of current driver's license, vehicle registration (tag) and insurance.
- **Where/How do I affix my permit?**
Permits must be permanently affixed to the inside lower corner of the passenger side of the front windshield using the adhesive provided in such a manner that removal will destroy the permit. The permit is self-sticking and must not be taped or otherwise affixed. Please note that if your windshield has a border, the permit must be placed high enough to be seen above the border.
- **When will I get a ticket? Will I get a ticket if my permit is not properly displayed?**
Ticketing begin dates will be listed on the coversheet of each semester's application. Applications must be submitted prior to that date to avoid being ticketed. Tickets are issued for improperly displayed permits.
- **How much is my parking fine? How do I pay my fine?**

Please refer to the application packet or the webpage for current parking fine fee schedule.

All ticket fines will be increased by \$1.00 per school day, beginning at close of business on the 2nd school day after issue (*example*: tickets issued on a Monday begin accrual at close of business Wednesday). If left unpaid, ticket amount is doubled. When a parking ticket is issued, the student must report to the Clerk (parking) in the Front Office the very next school day to pay the fine. Kell accepts cash (exact change) or check payable to Kell HS. Fines can be added to MyPaymentsPlus upon student request.

Once the tickets have reached double their face value, the penalty is added to My Payments Plus for payment.

Unpaid parking fines will affect the status of your parking application for the next semester.

Our staff is making a special effort to encourage punctuality to school and thus minimize classroom interruptions. Uninterrupted time on task is important to the learning process. Students who are late to school or who leave school without authorization disrupt this process.

To emphasize the importance of being on time to school, of remaining at school, and attendance in school, a student's parking privilege may be suspended for the remainder of the semester at the time of the sixth unexcused tardy or for unauthorized departure or truancy from school. The suspension of parking privileges will extend for at least forty-five (45) school days. If the semester has less than forty-five (45) school days remaining when the suspension occurs, the balance of the suspension will be served at the beginning of the next semester. At the conclusion of the suspension of parking privileges, the student may reapply and purchase parking decal, if spaces are available.
