What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Pearson Middle worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Yolanda Ruiz at 770-429-6012 or Yolanda.ruiz@cobbk12.org to provide feedback.

Teachers, Parents, and Students-Together for Success

Pearson Teachers Will:

Assign daily reading for 20 minutes

Teachers will provide families with online Math/Reading resources and be accessible via CTLS

Provide parents with directions for accessing StudentVue/ParentVue, CTLS Parent, and, CTLS Learn

Provide standard based math/reading instruction to students and evaluate their math/ reading proficiency through various assessments

Host parent academic workshops where parents can learn ways to help their child with schoolwork.

Acknowledge students following school wide expectation: Aim high, Fly higher and S.O.A.R.

Pearson Families Will:

Make sure my student is reading daily for 20 minutes. As my child reads a story, he/she can use sticky notes to record information in his/her journal about the character, setting, and problems. Then, We can have a discussion on the information gathered as a result of this process.

Make sure my student is using CTLS to access online math/ reading resources and to communicate with teachers.

Make sure Parents/ guardians reference CTLSParent, and Parent Vue regularly.

Attend Parent Workshops and stakeholder's meetings to learn ways to better support our students.

Access PBIS Parent account to view positive acknowledgements or minor referrals

Pearson Students Will:

Read for 20 minutes every day and use sticky notes to record information in your journal about the character, setting and problems.

Student will model what they are learning in the classroom through engaging activities.

Attend and participate in school workshops with parents

Access CTLS Learn and StudentVue to monitor math/reading progress and measure proficiency.

Connect to CTLS Learn to reference classroom information

Review my student PBIS account for positive acknowledgements and minor referrals.

One Team, One Goal, Student Success!
