School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Pebblebrook High School will provide opportunities to improve family engagement to support student learning. Pebblebrook High School values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Pebblebrook High School will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

Jointly Developed

Pebblebrook High School invites all parents to complete the Fall school improvement input survey/evaluation to provide suggestions on the school's Title I program. All parents are also invited to attend the Spring school improvement input meeting to revise this parental involvement policy, our school-parent compact, building staff capacity professional learning topics, and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is posted on our school Web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey that is posted online to ask parents for their suggestions on the plan and the use of the 1% reservation of funds for parental involvement. Parents can also give feedback during any parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their parents and families, are encouraged and invited to fully participate in the opportunities described in this policy. Pebblebrook High School will provide full opportunity for the participation of Neglected and Delinquent proxy parents, parents and families with limited English, parents with disabilities, and parents of migratory children.

Where is it available?

Every family will receive the plan during Parent-Teacher Conference week. It is also available on the school website and a copy is in the front office binder. Parents can also retrieve a copy of the plan in the Parent Resource Center. We will gladly mail the plan to you upon request.

What is Title I?

Pebblebrook High School is identified as a school having a Schoolwide Title I program as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards which reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

2023-2024 Cobb County Schools District Goals

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CTLS Parent data, survey results & web view module.
- By 2024, we will implement the PL framework to meet the needs of all schools to ensure alignment with Superintendent Priorities as measured by PL opportunities, surveys, and student achievement.
- By the end of 2025 school year every school will have identified practices and resources that support student success as measured by student academic, perception or discipline data.

Family-School Compacts

As part of this plan, Pebblebrook High School and our families will develop a family-school compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the School Improvement forum. The family-school compacts are located in the school's front office. Copies are also available upon request by the Title I Parent Facilitator's Office, Ms. Holder at: charlene.holder@cobbk12.org.

One Team, One Goal, Student Success

Pebblebrook High School will take the following measures to promote and support parents as an important foundation of the school in order to strengthen student academic performance and reach our school goals. We will:

- ✓ Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school website, Principal's "call-out" phone message, and CTLS.
- ✓ Provide two trainings each semester for staff during their planning periods on strategies to improve communication with parents and ideas to increase family engagement.
- ✓ Partner with our feeder schools by conducting joint meetings and events for parents and sending school information about parent engagement activities to help prepare parents and their child for school transitions.
- ✓ Share information in English and Spanish on the school blog and in the school newsletter for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through CTLS Parent, school website, Principal's social media, and school marquee.
- ✓ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parental involvement.
- ✓ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ✓ Use our Parent Facilitators and Education Partners to improve awareness of the activities and events listed in the school parental involvement policy
