

Performing Arts Program Purpose and Mission

Belief:

The Arts educate, communicate, and inspire us to know more about ourselves, each other, and our culture and heritage. The Performing Arts are those forms of art such as acting, dancing, and playing and singing music that are performed in front of an audience.

Our **purpose** and **mission** are:

- To provide opportunities for Cobb's Pre-K - 8th grade children to experience uniquely rewarding performing arts that might otherwise be unavailable to them.
- To spark curiosity, broaden awareness of the arts, stimulate minds and emotions, foster creativity, and inspire a lifelong interest and love of the arts with far reaching effect.
- To encourage excellence in the arts by providing high quality professional performances and opportunities for cultural enrichment through the performing arts.

The Cobb Performing Arts 50th Anniversary Series in 2025-2026 will enhance your child's academic curriculum with live educational arts performances in music, theatre, and dance. We depend upon voluntary contributions to fund off-campus and in-house live performances for elementary and middle school students. Each Cobb County elementary school student will attend the following:

Grade 2 Atlanta Ballet (Cobb Energy Performing Arts Centre) with a scheduled performance in December or March

Grade 5 Atlanta Symphony Orchestra (Cobb Energy Performing Arts Centre) with a scheduled performance in September

Grades Pre-K, K, 1, 3, & 4 In-house performances at the local schools or fieldtrips (as approved) to best suit the needs of our students may include the Atlanta Opera, Beatin' Path Rhythm Events, Jerry G. White, Georgia Ensemble Theatre, and Mama Koku

Please help to support your child's arts education by giving your tax-deductible donation and join us in making exposure to the arts possible for all Cobb County School District children. We hope that you will give the donation of \$15.00, but any donation is greatly appreciated.
