

ASSESSMENT

PSAT/NMSQT

- **Date:** October 21, 2025
- **Grades:** 9th & 10th are free at Allatoona for 2025. 11th graders pay \$12.
- **Type of Test:** Standardized and norm-referenced aptitude test
- **Purpose of the Test:** The PSAT/NMSQT measures the skills and knowledge that research shows are the most important for success in college and career.

PARENT/GUARDIAN INFORMATION

The purpose of this notification is to inform you of an upcoming administration of the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). The PSAT/NMSQT is administered online using the Bluebook app from the College Board. Students will utilize their CCSD student-issued laptop to take the assessment during the month of October. The PSAT/NMSQT administration date for your student is indicated at the top of this document.

ASSESSMENT SCORES/RESULTS

Students taking the PSAT/NMSQT this fall, will receive their scores in the College Board portal (if they have a College Board account) by November 14, 2025. Electronic score reports will be available in the College Board portal beginning November 21, 2025. The PSAT/NMSQT gives students valuable practice for the SAT, it provides insight into how to prepare, and it opens opportunities for scholarships and recognition. ADDITIONAL INFORMATION & RESOURCES

The State of Georgia pays for all 10th grade 1st-time test takers to take the PSAT/NMSQT. Students in 11th grade must pay to take the PSAT/NMSQT. Deadline for 11th grade student is September 12, 2025, via MyPaymentsPlus.

To learn more about the digital PSAT/NMSQT from the College Board, click this link: <https://satsuite.collegeboard.org/psat-nmsqt>.

To better prepare for the digital PSAT/NMSQT by accessing full-length practice tests in the Bluebook app or downloading practice tests, click this link: <https://satsuite.collegeboard.org/psat-nmsqt/preparing>.

HOW TO PREPARE

- ◆ Your student will need to bring his/her CCSD-student issued device fully charged along with two No. 2 pencils with soft erasers and an acceptable calculator.
- ◆ Eat a good breakfast and get a good night's sleep before test day.
