

# I took the PSAT... Now What?

## Create a Collegeboard account

- **Do not create a second account if you already have one.**
- Creating a Collegeboard account will give your student access to his/her PSAT scores.
- Click for video [Tutorial](#)

## Access your scores

- When your PSAT/NMSQT scores are ready online, you'll get an email with instructions on creating your College Board account, going to your online score report, and using your access code to view your scores.
- From your account, you can also print your online score report by clicking the **Download Your Score Report** button.
- Watch this video on how to access your scores: [Here](#)
