

July/August 2026

Dear Parents/Guardians,

Thank you for your interest in BMS Run Club! We are excited to have this opportunity here at Barber! Our running club is designed to allow students to move and work towards fitness goals and gaining a healthier lifestyle overall. Participants will **walk**, **jog**, and/or **run** at their physical ability. Running club will meet once per week on Tuesdays from 4:15 -5:15 p.m. (with prompt parent pickup at the front of the school). *Please plan for a prompt pick-up at 5:15 p.m., as coaches have other time-sensitive responsibilities thereafter.* **There is no cost to BMS Run Club, however, a donation is welcomed.** BMS Run Club members will be given a free club t-shirt after their regular days of attendance.

We are proud to announce our **Junior Warriors Cross Country (XC)** partnership with **NCHS** this year (as an addition to our existing club). The fee associated with **XC** is \$50.00 for the school year, and this cost covers the meets that students will participate in.

Running club attire is the same for P.E. classes. Long-sleeved undershirts and jogging pants may be needed during the winter months. Students are asked to bring a water bottle each session. For inclement weather, an announcement will be made to update students before 4:15 p.m.

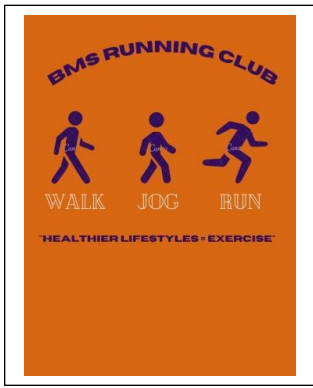

All grade levels (6th, 7th & 8th) are welcome to join at any time. Announcements will be made in school, via CTLS, the Barber Middle School website, and later with REMIND101.

Please show up and participate, if interested! Our start date is Tuesday, August 18, 2026. We look forward to seeing you soon.

Best Regards,

Dr. Bush (Sponsor/Coach)
