

Name of Club-Organization	Sponsor (Room Number)	Mission/Purpose of Club-Organization
ACS Chemistry Club	Jordan Tidrick (424)	The American Chemical Society ChemClub explores & shares a love (or an interest) in chemistry!
Astronomy Club	Heather Guiendon (114)	The Walton Astronomy Club explores and celebrates topics in Astronomy and Aerospace Engineering.
Beta Club	Kathryn Reagin (337)	Beta Club is an honors society of students with a weighted GPA of a 3.6 or higher that aims to uphold to the principles of honesty, endeavour constantly to maintain an admirable reputation, and develop the foundation of character, service, and leadership by providing community service to our school and surrounding areas.
Black Heritage Club	Marco Davila-Robertson (224) and Nailah Rivera (116)	The mission of the Black Heritage Club is to celebrate, educate, and empower individuals within our student community who are dedicated to preserving, promoting, and or learning about the rich cultural heritage, history, and achievements of people of African descent. Through fostering unity, awareness, and advocacy, we strive to create a supportive and inclusive environment where members can engage in meaningful dialogue, cultivate leadership skills, gain greater awareness and knowledge, and effect positive change.
Book Club	Esther Smith (306) and Robin Pongonis (312)	Literature lovers read student-selected books and meet monthly to discuss them.
Books Without Borders	Jennifer Phillips (325)	Provide underprivileged children with access to books and literature so that they can improve their education and English.
Bridge Club	Lori LaVoy (342)	Bridge Club is a social club of members who meet weekly to learn and play Bridge, a card game played with four players in two competing teams. Walton Bridge Club's mission is to create a community of students interested in forming meaningful connections while playing the game of bridge.
CAD Club	Lynn Dombrowski (413)	CAD Club will help beginner and advanced students learn CAD (3d modeling and 3d printing) and grow their skills in CAD. We will compete in Intra-team competitions regarding speed-CAD modeling. Beginners Welcome!

CARE (Cancer Awareness Research Education)	Vince Mull (404)	CARE is a nonprofit organization whose mission is to empower youth to rewrite the narrative of cancer through awareness, research and comprehensive education. We want to educate students on what cancer looks like and how they can help raise awareness and fundraise for patients who fight the battle against cancer.
Chess Club	Linda Vu (124)	The purpose of the Walton High School Chess Club is to create not only a learning environment that provides sophisticated opportunities for all its members but also allows both serious, prominent chess players and casual players who are seeking fun games. The major goals of the Walton Chess Conquerors are to take chess to the next level by encouraging beginners to compete in professional tournaments, such as those conducted by the United States Chess Federation (USCF) or FIDE (International Chess Federation). The ultimate vision of the board of chess members is to demonstrate the significance of chess in society, especially with its growing popularity in the last five years.
Chick Fil A Leader Academy	Anthony Foti (221)	
Chinese Language Society	Rachel Cook (118)	Given the importance of the Chinese speaking world and its global cultural, social, economic, and political impact, our mission is to promote the Chinese language as a tool for communication worldwide.
Clean Water Club	Laurie Howard (408)	Members of the Clean Water Club will carry out local water testing of community waterways and work to increase awareness of the importance of clean water and protecting our water resources
Creative Writing Club	Melissa Tatman (321) and Jasenda League (322)	Student leaders develop activities for each meeting that explore a variety of writing topics and genres.
Debate Team	Lynn Dombrowski (413)	Debate team prepares for and competes in a variety of tournaments throughout the district. Members meet weekly to prepare for tournaments

DECA	Rob Nichols (125)	Prepare emerging leaders and entrepreneurs in marketing, finance, hospitality and management. Members will have the opportunity to compete at multiple levels of competition: Region, State and International.
Diamond Girls	Farrah Gamel (328)	This is a spirit squad for the baseball team. Club members attend and promote games.
Environmental Club	Angela Greig (417)	Walton Environmental Club is a service organization that promotes awareness of environmental issues and leads school recycling efforts. Students meet weekly.
FBLA	Tina Link (400)	Inspire and prepare students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences. Members will have the opportunity to compete at multiple levels of competition: Region, State and International.
FCA	Farrah Gamel (328)	FCA is a student run organization where students come together hear from special speakers and peers and share life experiences. Service projects are also highlighted.
Film Analysis Club	Jasenda League (322)	Students meet once a month to discuss recent and upcoming movies, award shows, new media, and various pop culture topics of interest.
Film Club	Esther Smith (306)	Students meet weekly to screen films of interest and study film as an artform. Students also collaborate to produce their own original films.
Financial Literacy Educators	Erin Guthrie (220)	Students meet every two weeks to plan and create interactive and fun financial literacy and economics lessons for elementary students. Then, once a month in the spring, we teach these lessons and do fun activities/games with 4th and 5th graders in ASP at a local elementary school to start their love of economics and personal finance early!
French Club	Lynn Gouacide (117)	The purpose of the French Club is to promote appreciation of the Francophone culture outside of the classroom.

French Honor Society	Lynn Gouacide (117)	The purpose of the French Honor Society is to perpetuate the principles of the French language, promote interest in French society and culture, and emphasize the influence of the French language on the U.S. as well as the influence of the English language on France and other French-speaking countries. The French Honor Society also promotes the French language as an assess in the Global market.
Game Development Club	Linda Vu (124)	At Walton, there are many competitive clubs that focus on accomplishment in a specific field. With our club, we strive to be an inclusive environment where people from various backgrounds can contribute to a common goal to make games. This goal would combine various specializations, such as music, art, programming, creative writing, voice acting, etc., with the end goal being submitting games to game jams, which are developer-driven competitions with winners determined by player votes.
Glamour Girls	Farrah Gamel (328) and Esther Smith (306)	This service club's goal is to enhance the lives of those in assisted living in our area. The club will meet weekly on campus to make greeting cards and plan the monthly visit. Monthly the club will visit an area assisted living community to offer residents manicures, make up, hairstyles, and companionship.
Global Connections Club	Tripp Madden (316) and Marina Garcia	The club's purpose is to celebrate the diversity that Walton HS has during our annual Spring GCC festival.
Graphics Club-Skills USA	Patricia Cowles (120)	Workforce development organization for students. We empower students to become skilled professionals, career-ready leaders and responsible community members. The organization will start with the field of Graphic Design, with a goal of adding other fields/pathways in the future.
Green Team	Kelly Fincher (341)	Students meet once a month to discuss how to reduce waste and use more "green" energy saving products. Outings include a clean up day at Walton and its feeder schools each semester.

Gridiron Girls	Sarah Skeeane (308)	Gridiron Girls aim to bring Raider Spirit into the football locker-room so that the team feels supported and encouraged by the school community. Our goal is to make each player feel like they matter and are appreciated for their contributions to the team and the school. On game days, Gridiron Girls decorate the locker room and provide treats for each player. In the off season, the girls act as hostesses for new players on the team, giving tours and welcoming them to the Walton community.
Helen Ruffin Reading Bowl	Catherine Turnage (323)	<p>The Helen Ruffin Reading bowl is the original reading competition created by Georgia educators to encourage students to read!</p> <p>Schools and public libraries throughout the state of Georgia compete annually in Local, Regional, and State Finals competitions to answer questions about award nominated books.</p>
HoPe	Nailah Rivera (116) and Evelyn Algarin-Febres (115)	HoPe's mission is to build a supportive community within the school that empowers Latino/Hispanic students to lead, serve, and thrive academically, mentally, and socially.
HOSA	Meri Cain (420) and Maggie Hemmady (418)	HOSA is an international organization focused on encouraging pre-health career students by providing conferences and opportunities to compete in events that strengthen specific health field knowledge or cultivate creative exploration of health field-related topics or judge specific skills learned in EMT, CPR, or other health field skills. Community service is also a component of Walton HOSA. The Walton HOSA team meets once weekly, holds Qualifying Tests in January and attends State Leadership Conference in March (3/5/2025 - 3/8/2025) with qualified student competitors. HOSA's mission statement is as follows: "The mission of HOSA is to enhance the delivery of compassionate, quality health care by providing opportunities for knowledge, skill and leadership development of health science education students, therefore, helping HOSA members and advisors to meet the needs of the health care community."

Indian Cultural Exchange (ICE)	Teresa Casey (339) and Christine Gordon (349)	The club's function is to exchange Indian cultural experiences with anyone in the Walton community who wishes to participate. The purpose of this club is to share Indian cultural experiences with the Indian community and any Walton High School students who wish to join the club. We will provide numerous volunteer opportunities such as Indian cultural classes where students will help teach younger kids. These classes also include events throughout the year that are held to celebrate Indian holidays for anyone who wishes to volunteer or participate. We will also provide the opportunity to perform at these events and school events such as Global Fest in which students will learn and perform Indian dances.
Interact Club	Laurie Howard (408)	The purpose of Rotary's Interact Club is to help young people develop leadership skills and make a difference in their communities. Interact Clubs organize at least two projects each year, one to help their community and one to promote international understanding. The club's motto is "service above self".
Interfaith Walton	Joshua Williams (239)	The mission of Interfaith Walton is to broaden peoples' perspective on the different cultures and religions in our diverse community by bringing together students of different faiths and backgrounds and encouraging discussion and understanding about various religious and faith topics.
International Thespian Society and Drama Club	Joymichelle Green (302-clubs meet in the Black Box theater)	Drama Club: Walton Drama emphasizes: All aspects of theatre including performing, scenic design, set design, lighting, sound, costume design, and stage & crew management... to name a "few." A welcome and diverse environment for all students interested in the theatre and hoping to learn more about it. A student driven approach in which the students themselves get hands-on experience in theatre production and leadership.

Japanese Club	Sarah Skeeane (308)	Founded by three of Walton's Japanese students, the club's purpose is to educate their peers about Japan's rich culture, giving students an easily accessible path to experience Japanese culture first-hand. One of the best ways to experience Japanese culture is through food. For this reason, a plethora of Japanese foods such as steamed rice, miso soup, snacks, etc. are served at meetings. In addition, traditional customs such as Stsubun and Oshougatsu are taught and demonstrated. In addition to meetings held every-other WEB, the club plans to participate in Walton's annual Global Festivities and visit JapanFest, the Atlanta area's annual event in which Japanese culture is celebrated.
Junior Civitan Club	Lori LaVoy (342)	Junior Civitan Club is a program under the authority of Civitan International. Members meet monthly to participate in service projects to benefit Walton High School, the community, and the world.
K-Pop Dance Club	Tobie Hendricks (401)	Members meet weekly to work through choreography to pre-determined Korean Pop Dances. They celebrate Korean culture and the love of dance. The club is open to all students who enjoy music and dancing. Members prepare for the Global Connections Festival.
Latin Club	Alan Farnsworth (206)	The mission of the Latin Club is to broaden understanding of the civilizations of ancient Rome and Greece to help students better understand and appraise today's world, which is indebted to those civilizations for its government and laws, literature, language and arts. The Latin Club experience is designed to develop responsibility, foster community, promote enthusiasm for learning, encourage competition, inspire dedication and enrich the total growth of the student.
Math Team	Joe League (340)	Math team prepares for and competes in a variety of math tournaments throughout the district, state, and nation.
Mission to Mars Club	Angela Greig (417)	The Mars Mission Club seeks to inspire and educate students about future missions to Mars, cultivating a passion for space exploration.

Mock Trial	Lynette Ebbert (413) and Anna Stanton (330)	Mock Trial allows students to come together and simulate a civic and/or criminal trial, competing against other high schools. It provides students opportunities to learn about our legal system and gain public speaking and debate experience.
Model UN	Tara Cohen (218)	Model UN is educational model of the United Nations used for simulations in which students learn about diplomacy and international relations. At a MUN conference, each student works as the representative of a country, organization, or person, and must solve a problem with other delegates from around the world. MUN teaches participants skills like research, public speaking, debating, writing, critical thinking, teamwork, and leadership. MUN is meant to engage students and allow them to develop deeper understanding into current world issues and world politics.
Mu Alpha Theta	Mary Foxhall (336)	Inspiring a keen interest in mathematics, developing strong scholarship in the subject, and promoting the enjoyment of mathematics in high school.
Music Appreciation Club	Kristine Pearson (347)	Music Appreciation Club provides students with a place to explore and talk about the wonderful topic of music with other like-minded students.
National Art Honor Society	Kathleen Petka (122)	Serve the community through Visual Art.
National Chinese Honor Society	Rachel Cook (118)	The National Chinese Honor Society acknowledges the high academic achievement of students studying Chinese as a second language, recognizes students' leadership and character, promotes the Chinese class and culture, and spreads enthusiasm for Chinese language and culture.

National English Honor Society	Hannah Burwell (314)	The National English Honor Society (NEHS) is for secondary students who, in the field of English, merit special note for past and current accomplishments. Individual secondary schools are invited to join a local chapter, through which individuals may be inducted into Society membership. Immediate benefits of affiliation include academic recognition, scholarship and award eligibility, and opportunities for networking with others who share enthusiasm for, and accomplishment in, the language arts.
National Honor Society	Amanda Edwards (419) and Kara Staruch (318)	By empowering, championing, and recognizing well-rounded students, NHS provides schools with a values-based framework to elevate a culture of scholarship, service, leadership, and character.
National Latin Honor Society	Alan Farnsworth (206)	The National Latin Honor Society recognizes those who have maintained a 3.5 in Latin through junior year, have completed Latin III, and have stayed with Latin into their senior year. NLHS members also provide tutoring to Latin students in the lower levels.
National Technical Honor Society	Heather Guiendon (114) and Linda Vu (124)	
Neuroscience and Pre-med Club	Amanda Edwards (419)	Our purpose is to foster student interest in neuroscience through volunteering activities, visits to local neuro-related research centers, regular speaker events focused on neuroscience, and participating (as a team) in the International Brain Bee Competition.
Open Door Art Club	Lynn Dombrowski (413)	Open Door Art Club is a social club of members who meet every other Monday to create various art., The club's mission is to create a community of students interested in making friends while engaging in art.
Operation Smile	Catherine Turnage (323)	We cultivate leadership by facilitating innovative and inspiring programs that teach valuable skills and grow confident leaders. We empower youth to understand the importance of being an active participant in helping others locally and globally. Students are given the opportunity to participate in service activities to help further the purpose of Operation Smile.

Physics Club	Wesley Taylor (414)	The purpose of our club is to cultivate interest in physics and enhance students' understanding of the subject (and related fields). Many students at Walton are interested in physics, but do not take—or find out about—physics until their junior or senior year; thus, a physics club provides students a golden opportunity to explore their potential in learning physics together.
ProMod (Protein Modeling aka SMART Team)	Tina Link (400)	SMART Team, aka ProMod, science outreach program that allows high school students to work with a researcher to learn about a specific protein and construct a three-dimensional model of that protein, design and present a research poster at a professional conference.
Rally Foundation Club	Michelle Payne (210)	Rally Foundation for Childhood Cancer Research, a 501(c)(3) nonprofit, empowers volunteers to raise awareness and funds for childhood cancer research to find better treatments with fewer long-term side effects and, ultimately, cures.
Random Acts of Kindness	Amy Merlin (219) and Patrick Kay (227)	Random Acts of Kindness is focused on community support. Students will meet once a month to collectively engage in activities designed to spread kindness both in and out of Walton.
Rho Kappa Social Studies National Honors Society	Joshua Williams (239)	The mission and purpose of Rho Kappa is to promote scholarship and to recognize academic excellence in social studies in secondary school environments and the community. To provide opportunities for exploration in the social studies in secondary school environments and the community. To encourage interest in, understanding of, and appreciation for the social studies.
Science National Honor Society	Tobie Hendricks (401) and Laurie Howard (408)	Walton Science National Honor Society (SNHS) objectives are to encourage and recognize scientific and intellectual thought, advance student knowledge of classical and modern science, communicate with the scientific community, aid the civic community with its comprehension of science, and encourage students to participate in community service and in turn, encourage a dedication to the pursuit of scientific knowledge that benefits all humankind.

Science Olympiad	Douglas Wolfe (402)	Science Olympiad is a team that prepares and competes in 23 STEM events at various tournaments in GA and the nation.
SGA	Karen Duncan (403)	The purpose of the organization is to give Walton students a voice in aiding the administration and faculty in carrying out the mission and goals of the school by providing student leadership and acting as a liaison between the students, faculty, and administration. Walton High School Student Government Association represents the student body in carrying out the school's mission and goals to ensure inclusion, student well-being, and community involvement.
Sociedad Honoraria Hispánica	Emma Wright (211) and Dr. Maria Silva (209)	The mission of Sociedad Honoraria Hispánica is to recognize high school achievement in Spanish and to promote interest in Hispanic studies. Increases awareness and understanding of cultures of the Spanish-speaking world outside the classroom. We offer tutoring for students in all the levels of Spanish Language in the school.
Society of Women Engineers	Heather Guiendon (114) and Ty Vernon (111)	Walton's Society of Women Engineers chapter supports interests in Engineering skills and careers. We connect digitally to GT and KSU SWE chapters.
Spanish Club	Nailah Rivera (116), Kristin Jaen (207), Marina Garcia	Spanish Club promotes the awareness, appreciation and understanding of cultures of the Spanish-speaking World outside of the classroom. We also sponsor the Hispanic Heritage Festival.
STEM Student Leadership	Tina Link (400)	STEM leadership is composed of students representing each pathway for each year. The students are responsible for helping to organize activities for the students, discuss policy and procedures, and help with STEM related programs.
Sunshine Club	Amanda Edwards (419)	Our purpose is to improve the culture, morale, and well being of East Cobb community senior citizens through vounteer efforts at local assisted living and nursing home facilities.

Super Senior Spirit Club	Sarah Skeeane (308)	Made up of the most spirited students in the Senior class, this club leads Walton High School in Raider Pride. Through the leadership of Superman, Superwoman, and the Raider Girls/Boys, this group helps ramp up the student body and encourage Walton teams during play. These seniors are positive and encouraging, fun and enthusiastic! Meeting once a week during football season, the Super Seniors choose the "outs" for football games, make signs to hang up around the school which encourage Walton's student body to participate in spirit activities, and educate freshmen students on Walton's spirit traditions.
The Walton Ronald McDonald House Club	Maria Silva (209)	Members in the Walton Ronald McDonald House Club create an environment for humanitarian Raiders
Threads of Kindness	Michelle Baumann (223)	Our mission is to teach others how to knit and crochet and then use our new skills to make handmade goods to give to those in need.
Tri-M Music Honor Society	Sara Grimes (Orchestra)	The Tri-M Music Honor Society is open to senior students who have been in band, chorus, and orchestra for all four years. Students must have a 3.0 average in music classes and 2.5 overall GPA. Students will participate in musical activities and music-related community service to earn a pink cord for graduation.
UNICEF	Asha Delgado (212)	Walton UNICEF club works to empower students to become global citizens. Through fundraising, awareness, and community service, we will be able to help children outside our community who need our help. This allows for a more insightful understanding life outside of the classroom. The club also provides students with an opportunity to gain leadership positions.

Walton Academic Bowl	Jennifer McKelvey (312)	<p>The Walton Academic Bowl is a high-energy and competitive after-school club that focuses on building skills and knowledge to compete in National Academic Quiz Tournaments around the state. Quiz bowl tournaments include several rounds of fast-paced question-and-answer games over topics like history, literature, science, fine arts, current events, popular culture, sports, and more.</p> <p>Walton Academic Bowl meets every Thursday after school, from 3:30 – 4:30 and is open to all students. This is a STEM-based club, but anyone can join who is interested in learning, competing, and having fun.</p>
Walton Ambassadors	Jennifer McLarty (sped office), Beth Plotkin (334), Michelle Payne (210)	<p>The Walton Ambassadors are a selected group of diverse students that serve as mentors to 9th grade students, to foster a smooth transition for new students, and to help promote a positive atmosphere at Walton and in our community.</p>
Walton Asian Student Alliance	Joshua Williams (239)	<p>The vision and mission of the Walton Asian Student Alliance shall be to honor the diverse cultures and experiences of Asian Americans and to create inclusive and transformative learning opportunities for students. This club shall be to provide Asian and Asian American students with a positive community for learning about their cultures, histories, and current issues as well as to raise public awareness of Asian American histories, cultures, and issues through educational and community events.</p>
Walton Computer Science Honor Society	Whit Hubbard (119)	<p>The purpose of this organization is to encourage students' enthusiasm for computer science, to honor academic excellence and to promote service.</p>
Walton eSports	Whit Hubbard (119) and Wes Taylor (414)	<p>Esports is a GHSA sanctioned competition that competes for a state championship during two seasons, fall and spring, in multiple genres of games. A current list of games can be accessed online at playvs.com/georgia.</p>

Walton Fashion Club	Patricia Cowles (120)	The purpose of Walton Fashion Club is to provide a place where students interested in fashion design and current trends in the fashion world can meet and chat about their interests. Additionally, the club uses fundraising efforts to help support organizations in the metro Atlanta area that help provide quality clothing to those in need.
Walton Jewish club	Anna Stanton (330)	Walton Jewish Club helps Walton students explore Jewish culture, create meaningful connections, and foster a love for their fellow students through engaging activities and discussions. Jewish Club also plans to give back to the East Cobb community by doing a variety of community service projects.
Walton Muslim Students Association	Rob Phillipps (222)	The Walton Muslim Students Association exists to educate, serve and network with both Muslim and non-Muslim students. Club meetings include discussion of Islamic ideals and history. Students and invited guests will share messages relating to the Islamic faith and culture. Meetings will also include socializing, potlucks and other activities to help grow friendships between club members.
Walton PTSA Community Outreach	PTSA Parent Advisors	
Walton Robotics Team	Heather Guiendon (114)	The Walton Robotics Team helps students develop personal and professional skills, inspires students to pursue careers in science, technology, engineering and mathematics (STEM), and promotes STEM as fun and rewarding, and a pathway to a brighter future.
Walton RPG Club	Wade Jones (307)	We are a club dedicated to organizing, playing, and teaching tabletop roleplaying games. Our primary avenue for play is the fifth edition Dungeons and Dragons, but the club supports play in RPG's of all kinds.

Walton Science Bowl	Maggie Hemmady (418)	<p>The purpose of Walton Science Bowl Team is to encourage and prepare students for a nationwide academic competition that tests students' knowledge in all areas of science and mathematics. The National Science Bowl® (NSB) competition is an annual event that began in 1991. High school student teams from diverse backgrounds are comprised of four students, one alternate, and a teacher who serves as an advisor and coach. These teams' face-off in a fast-paced question-and-answer format, being tested on a range of science disciplines including biology, chemistry, Earth science, physics, energy, and math. Before competing at the national level, high school students from across Georgia will first come together to compete in a Regional Championship. Students will be quizzed in a verbal, fast-paced forum, and asked to solve technical problems related to science and math fields.</p>
Walton Sports Media	Al Basulto (121)	<p>Our mission at Walton Sports Media is to unite our Walton community by providing comprehensive coverage of Walton's sports events, including live streams, videography, and photography.</p>
WEST	Jasenda League (322)	<p>Members in the Walton Elementary Students Tutoring (WEST) club tutor elementary school students one - two days a month after school. Students must have transportation to and from the tutoring site.</p>
