School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Fair Oaks Elementary School will provide opportunities to improve family engagement to support student learning. Fair Oaks Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Fair Oaks Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

Jointly Developed?

Fair Oaks Elementary invites all parents to complete the Fall school improvement input survey/evaluation to provide suggestions on the school's Title I program. All parents are also invited to attend the Spring school improvement input meeting to revise this parental involvement policy, our school-parent compact, building staff capacity professional learning topics, and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is posted on our school Web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey that is posted online to ask parents for their suggestions on the plan and the use of the 1% reservation of funds for parental involvement. Parents can also give feedback during any parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this Policy. Fair Oaks Elementary will provide full opportunity for the participation of Neglected and Delinquent proxy parents, parents and families with limited English, parents with disabilities, and parents of migratory children.

Where is it available?

Every family will have access to this Improvement plan that is posted on the school website. Parents can also retrieve a copy of the plan in the Family Resource Center. We will gladly mail the plan to you upon request.

What is Title I?

Fair Oaks Elementary is identified as a Title I school as part of Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I program must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

2025-2026 Cobb County Schools District Goals

- By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by the state assessments
- By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

School-Parent Compacts

As part of this plan, Fair Oaks Elementary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the School Improvement forum.

The family-school compacts are distributed during Parent-Teacher Conference week in October 14-17, 2025. Copies are also available throughout the year with each child's teacher, our Parent Facilitators, or in the school website at www.cobbk12.org/FairOaks.

One Team, One Goal, Student Success!

Title I, Section 1118 of the Elementary and Secondary Education Act of 1965 (ESEA) requires that each local educational agency (LEA) receiving more than \$ 500,000 in Title I, Part A funds and distributes a percentage of the 1% set-aside to Title I school, parent input regarding the 1% set-aside for parent and family engagement. Based on that, and the needs identified by our parents and school staff surveys, Fair Oaks Elementary will take the following measures to promote and support parents as an important foundation of the school in order to strengthen student academic performance and reach our school goals. We will:

Some of the ways you can expect us to reach you are: CTLS Parent, Thursday Folder, Weekly School and Grade Level Newsletter, Parent VUE, School Website, school marquee, school boards, E-mails, phone calls, text messaging and letters, Facebook, Twitter, Parent-Teacher Conferences (October and by request), Grades and Academic Reporting on your child's progress sent home quarterly. All materials are presented in Spanish and English. Bilingual Parent Facilitators available to assist parents. Do you have any questions about your child's progress? It is our continuing goal to establish and maintain resources that strengthen the partnership between parents and school. We have a play area for parents with small children. We use the center as a meeting place for parents. Open Daily 8:00 a.m. to 2:00 p.m. Room 4A.
- ✓ Providing transitioning activities such as Transition tour Pre-K to Kinder, Pre-K Kinder Camps, and Transition Meeting Elementary to Middle School and partnering with our feeder schools by conducting joint meetings and events for parents and sending school information about parent engagement activities to help prepare parents and their child for school transitions.

- ✓ Collect feedback from parents and family members and offer a variety of surveys throughout the school year to respond to parents' input regarding parental involvement activities and requested meetings.

Parent and Family Engagement Standards

Fair Oaks Elementary and our parents have adopted the National PTA Standards for Family-School Partnerships as the school's model in engaging parents, students, and the community. These standards are:

1. Welcoming All Families
2. Communicating Effectively
3. Supporting Student Success
4. Speaking Up for Every Child
5. Sharing Power
6. Collaborating with Community

Principal Advisory Council

The purpose of the Principal Advisory Council is to bring together parents, community members, and school staff to create a better understanding of and mutual respect for each other's concerns and share ideas for school improvement.

The Principal Advisory Council meets three times per school year. Along with the principal, council members include:

1. Two staff members (one being the current Teacher of the Year).
2. Two parents (one being the current PTSA president).
3. Two members of the community (one being a Partner in Education representative).

If you would like to share your ideas and perspective with the Principal Advisory Council please contact Cathie Seibert, school principal, cathie.seibert@cobbk12.org

School Community Team

Some of our school partners are Mt. Bethel UMC Backpack Blessings, Grace Pointe Church, The Walker School, Cobb NPHC, Cumberland Community Church, Coldwell Banker Realty, Smyrna Business Exchange, Cobb County Sheriff's Office, Metro Martial Arts, PowerUP, amongst others. Our partners support our school by providing information about opportunities for community discounts, community events, and volunteering to support educational activities at school.

Fair Oaks Elementary Title I School Wide Program has jointly developed this policy and compact with our parents to describe how we will support the important role of parents in the education of their children. In cases where the students reside in a Neglected and Delinquent residential facility, a representative from that Facility can serve as a proxy for the parent(s). At Fair Oaks Elementary, we build capacity for parent/community involvement by implementing the six types of involvement: Parenting, Communications, Parent Volunteering, Learning at Home, Decision-making and Governance, and Collaboration and Exchanges in the Community. This policy will be distributed to parents during the Parents Conference Week on October 14-17, 2025; and posted in the school website. Additional copies of the policy will be made available to all new parents and community through the Family Resource Center.
