

*For each School Strategic Plan goal, identify progress on any action steps.  
 Provide data to support the impact/implementation.  
 Implementation artifacts and evidence for impact should align to the SSP.*

**School Name: McClure Middle School**

**Monitoring Date: June 2024**

**GOAL #1  
Literacy**

Reduce the number of total students scoring in the basic and below basic range schoolwide, from 33% (332 students) of the school population to 22% (220 students) as measured by the August to May gains on the Reading Inventory assessment.

**Action Step(s)**

**Start Date**

**What is the desired outcome of the action step?  
 How will the action step be implemented?  
 What artifacts will be used to show implementation?  
 What evidence will be used to progress monitor the outcome?**

Implement updated Read180 lessons and materials for a select group of teachers as a system of supports for our most striving readers.

Summer  
2024

**Performance Target:**  
 Reduce the number of total students scoring in the basic and below basic range schoolwide, from 33% (332 students) of the school population to 22% (220 students) as measured by the August to May gains on the Reading Inventory assessment.

**Implementation (include person responsible):**

- Summer 2024: Train Read180 teachers on updated Read180 materials and software. Kelsey Born (7th Grade) and Monique Andrews (8<sup>th</sup> Grade) will lead this work.
- August: Collect baseline data for select Read180 classes from initial RI administration (Corey Sanford).
- August: Tiered grouping of students based on Lexile across all Read180 Classes (Porter).
- September: Follow up and refresher training with Read180 teachers (Corey Sanford).
- October-May: Walkthrough feedback on TKES Standard 3 regarding implementation of Read180 program with fidelity (Admin Team).
- December: Data dig Read180 classes to monitor RI growth after the Winter RI administration (Corey Sanford).
- January: Follow up and refresher training with Read180 teachers (Corey Sanford).
- May: Data dig Read180 classes to monitor RI growth after the Spring RI administration (Corey Sanford).

**Artifacts:**

- Summer, Pre-Planning, September, & January Training Materials
- Read180 Training Sign-in Logs
- Read180 Usage Data Reports
- December and May RI Growth Reports

**Progress Monitoring:**

- August: Collect baseline data for select Read180 classes from initial RI administration (Corey Sanford).
- December: Data dig Read180 classes to monitor RI growth after the Winter RI administration (Corey Sanford).
- May: Data dig Read180 classes to monitor RI growth after the Spring RI administration (Corey Sanford).

<b>GOAL #2</b> <b>Math</b>	Reduce the number of total students scoring in the basic and below basic range schoolwide, from 61% (618 students) of the school population to 31% (310 students) as measured by the August to May gains on the Math Inventory assessment.
