DISCIPLINE PROCEDURES

The Cobb County School District Code of Conduct and the Student handbook will be available to parents and students on the school website. Students will also review policies and procedures at the beginning of each semester, when they register, and throughout the year. Parents are encouraged to read this information carefully. Further information may be obtained at:

www.cobbk12.org

Our teachers communicate and maintain high standards for conduct in all classes. Students are informed of these standards and always know what is expected. A responsible student at South Cobb High School:

- Follows School Rules
- Is Respectful to Adults and Peers
- Is Prepared for Classes
- Is in dress code
- Sets Goals for Personal and Academic Development
- Completes Classwork and Homework Assignments
- Attends Tutoring and/or SOAR Saturday
- Strives to Reach Their Fullest Potential
- Is Involved in School Clubs/Athletic Activities

Whether in the classroom, elsewhere on campus, or representing the school at an off-campus event, our objective is to maintain a high standard of conduct and to create an atmosphere that is conducive to the growth of every student. Although actual classroom procedures may vary from classroom, students may expect fair treatment in response to disciplinary infractions. In addition to classroom behavior guidelines, there are school standards that apply to every part of our campus. All school policies and standards are designed to provide for the safety of students, protect property, and minimize interruptions to classroom instruction. School guidelines in the Student Agenda will be available on the school website. As a South Cobb High School student, students must adhere to these guidelines on and off campus. Teachers review these rules with all students so that there is no confusion about the expectations set.

STUDENT DAILY EXPECTATIONS

1. Students should be on time for class and lunch.
2. Students should walk to the right of the hallway and doorways to leave the walkways clear for traffic so that all students can move comfortably throughout the building.
3. Students should have their lanyard when walking in the hallways and when entering the cafeteria.
4. Students are responsible for necessary repairs to any damaged property, or replacement of lost property. Therefore, care should be taken to avoid this damage.
5. Students should be respectful of adults, other students, and self. Inappropriate language, inappropriate displays of affection, and disruptive behavior are not acceptable behaviors on campus or during school activities.
6. Students are expected to remain in the classroom during instructional hours. However, should students need to leave the classroom for any reason, permission must be granted with a pass.
7. Hats and hoodies should be removed from heads upon entry into the building.

DISCIPLINARY OPTIONS

TEACHER/DEPARTMENTAL DETENTION/ADMINISTRATIVE DETENTION

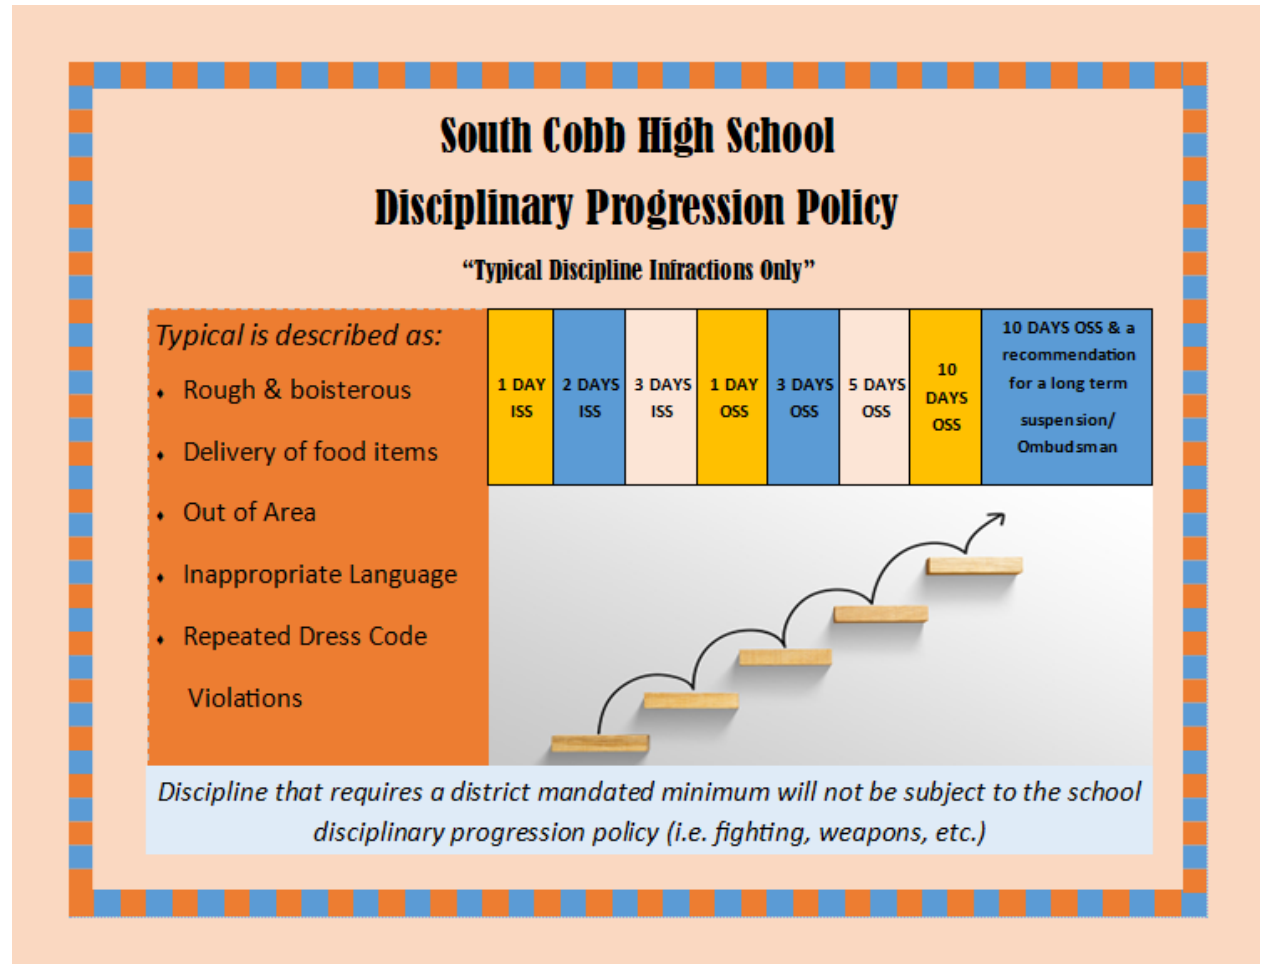

Teachers may assign detention for violations of class rules. Teacher/departmental detentions are served before and/or after school. **It is the student's responsibility to know when and where to report for detention.** If the student does not serve the assigned detention(s), an administration referral will be submitted.

IN-SCHOOL SUSPENSION (ISS)

In- School Suspension (ISS) is a program designed to modify behavior while keeping the student in school with access to schoolwork. Students should check CTLS for all assignments. The program isolates the students from his/her peers in a controlled environment. Students may be removed from ISS for inappropriate behavior (i.e., tardiness, insubordination, not working on assignments). Students who do not conduct themselves appropriately in ISS may be suspended. Since ISS is a form of suspension, ISS affects participation in extracurricular activities. There is a **demerit system** for students serving ISS. Students who fail to report to ISS on the assigned date as instructed by an administrator will receive OSS. Students will receive OSS if they cannot follow ISS directions. Students assigned to ISS are not allowed to attend after school or extracurricular activities.

OUT-OF-SCHOOL SUSPENSION (OSS)

Suspension from school is an alternative to modify student behavior. A suspended student may not come on campus, attend any school function, or practice until the day he/she returns to school from suspension. Certain behaviors always result in suspension due to Cobb County School District policy or local school policy.

ADVISEMENT (HOMEROOM)

All students are assigned to advisement groups which meet as needed for distribution of materials, information sharing and attendance record keeping. Students may receive registration information and other school communication through advisement.

BLOCK SCHEDULING

The school calendar and instructional time are based on a four-by-four block schedule. Each day is organized into four blocks, or four periods, of instructional time. Most students are enrolled in (4) classes per semester.

CO-CURRICULAR ELIGIBILITY

The district complies with the Rules and Regulations of the Georgia High School Association (GHSA), Georgia Music Educators Association (GMEA) and applicable Georgia Board of Education Rules, including 160-5-1-.18, Competitive Interscholastic Activities in Grades 9-12; No Pass, No Participate (www.ghsa.net). Principals and their designees will expect that all staff members adhere to applicable GHSA, GMEA, and State Board Rule requirements.

FINAL EXAMS

Comprehensive final exams are given in each class at the end of the semester. Students with an excused absence on an exam day are responsible for planning with the respective teacher(s) to complete any final exam(s). Students have ten school days after the semester's end to complete any outstanding final exams. There are no Exam Exemptions at South Cobb High School.

Final exams may not be given before the regularly scheduled test day.

GRADES

(Grading Scale)

90-100.....	A
80-89.....	B
74-79.....	C
70-73.....	D
Below 70.....	F

GRADE CHANGES

Any work not completed within the allotted time will receive a grade of zero. Students should resolve the incomplete within ten (10) school days after the end of the semester.

GRADE CONCERNS

Should parents have concerns about their student's grade or progress in a class, they may contact the appropriate teacher and/or counselor. Email addresses and phone extensions are available through the school website.

GRADE-LEVEL PROMOTION

In order for students to be promoted to the next grade level, the following credits must be earned in the appropriate categories (see your counselor):

5 or more credits	Promoted to 10th Grade
10 or more credits	Promoted to 11th Grade
16 or more credits	Promoted to 12th Grade

Likewise, promotions also require that students receive credits in their annual Math, Science, and English Language/Arts courses prior to advancing to the next grade level. Students are promoted to the next grade level at the end of each academic year or at mid-year promotions.

GRIEVANCES

Should parents have concerns regarding administrative discipline matters, they should contact the appropriate administrator. Academic and classroom discipline concerns should first be directed to the teacher involved. **If the issue is not resolved after speaking with the teacher, further contact may be made through the appropriate office.**

COUNSELING

A complete range of counseling services is available to every student at South Cobb High School. Counselors are available to help with personal, educational, and career counseling. When access to additional resources is necessary, the counseling staff encourages and invites students, parents, and teachers to visit with the counselor to explore available resources and services. The Professional School Counselors maintain a student college and career center which has a collection of current information that includes college catalogs and applications, military and civilian career outlook materials, ACT/SAT information, financial aid forms, and scholarship information. Students and parents are also encouraged to visit the counseling website frequently for valuable and timely information.

The Professional School Counselors are available to share information and assist students involved in the following testing programs:

9th Grade: ACT Explore; End-of-Course Tests

10th Grade: PSAT; End-of-Course Tests

11th Grade: PSAT; SAT; ACT; ASVAB (Armed Services Vocational Aptitude Battery), ASSET (Technical College Entrance Exam); AP (Advanced Placement) Exams, End-of-Course Tests

12th Grade: SAT; ACT; ASVAB; ASSET; AC Exams, End-of-Course Tests

Students should plan to meet with a counselor in the college and career center during their assigned lunch. Appointments may be made by students and parents by contacting the counselor through email or phone.

HOPE SCHOLARSHIP: Georgia residents who graduate from high school and meet specific grade point average (G.P.A.) requirements and have completed additional rigorous academics are eligible for HOPE scholarships at a state public college, university, or state vocational/technical schools. Students should see their guidance counselor for additional information.

HOPE GRANT PROGRAM

Georgia's HOPE Grant (a separate program from the HOPE Scholarship) is available to Georgia residents who are working towards a certificate or diploma at an eligible college or university in Georgia.

Full-time enrollment is not required, and students are not required to graduate from high school with a specific GPA. However, they are required to have a post-secondary cumulative 2.0 GPA, at certain checkpoints, to maintain eligibility.

HOMEWORK

Students are encouraged to use a calendar to record homework assignments and then refer to that calendar each evening. Parents can emphasize the importance of homework by asking about daily homework and checking for completeness. Some assignments are long-range in nature and require planned study or library time. Parents can support students by helping them plan and divide tasks into manageable parts. This type of involvement can reduce stress and improve the quality of work a student produces. Homework assignments can be viewed on each teacher's CTLS webpage. Additionally, students are encouraged to check CTLS and StudentVue every day.

HOSPITAL/HOMEBOUND

If any student has a medical emergency which requires hospital and/or homecare for ten (10) consecutive school days, the students or parent(s) should notify the appropriate counselor as soon as possible. Once the application for this service has been completed and the doctor has signed it, the Cobb County School District Homebound Office shall determine eligibility. Hospital/Homebound students are counted present by exception and are required to maintain their studies to receive course credit. Upon returning to school, it is the responsibility of the Hospital/Homebound student to secure the remainder of the missed or make-up work and to arrange a timeline for its completion. Failure to fulfill this responsibility may result in a loss of grades and/or course credit.

LIBRARY POLICIES

Resources: The SCHS library offers students a dynamic array of multimedia learning opportunities for increased academic achievement. Included in the collection are a 20,000+ volume print collection and online resources. All SCHS library online resources are available for home use (ask the Media Staff for passwords). The Media Center houses a school store that provides basic supplies needed for most class assignments.

Book Checkout: Up to 3 books for 3 weeks may be checked out. Students may renew books only once. All books should be returned to the book drop at the circulation desk. Each student is responsible for their own library account. All library obligations should be taken care of in a timely manner. Should a student ignore notices, this may result in suspension of privileges. Overdue fines are 10 cents per day. Lost or destroyed material must be paid for by the student who borrowed them. Students with fines and/or overdue books lose the privilege to check out more materials. Removal of library materials, without following established checkout procedures, is considered stealing.

Computer Use in the Media Center: Library computers are available for academic use. The computers and all applications are for school-related activities only. Students may not install software, alter software, or change settings on computers. Students who are in the library with their classroom teachers have priority over computer use. Please limit printing by taking notes from the computer, saving information to a USB flash memory data storage device and/or printing only selections that are necessary. There will be a small fee for printing in the media center; however, photocopies are free.

Time in the Media Center: Students who need support of the academic resources of the library or who would like to read periodicals or library books are welcome during study halls. However, students coming from a classroom MUST have an official Media Center pass signed by the classroom teacher. Students may come during lunch time and after school (Tuesday & Thursday) but must have a pass signed by the Media Staff and remain in the Media Center for the entire period.

ELECTIVE REGISTRATION

It is important that students register for electives on time. **Once courses have been selected, the electronically signed elective registration form will become a commitment to remain in the chosen classes.** Every effort will be made to accommodate the selections indicated; however, the following factors may affect the student's final schedule:

1. In the event a student has chosen a course, and his/her final grade does not meet the prerequisite, the schedule must be adjusted accordingly.
2. In the event a course listed on the registration form is not requested by a sufficient number of students, that course will not be offered, and the student will be placed in an alternative choice.
3. A student who selects two courses that are only offered during the same period will be placed in an alternative choice.

REPORT CARDS

Report cards are posted every semester in ParentVue. At the six-week interval, students will also receive a progress report that indicates the student's class average in ParentVue. Grades are reported on the student's academic transcript upon completion of the course. Report cards and progress reports are delivered in the following manner.

6th week of semester: Provided in ParentVue

12th week of semester: Provided in ParentVue

18th week of semester: Provided in ParentVue

STUDENT RECOGNITION

It is the goal of South Cobb High School to recognize outstanding students who excel academically and display exemplary character. Students will be honored through various programs, including Eagle of the Month, Positive Referrals, departmental recognition, and Principal's Honor Roll. The honors recognition ceremony is held during the spring semester.

Honor graduate status will be awarded to any student earning a cumulative grade point average of 3.5 or higher. Grades are computed through the second semester of the senior year.

ATTENDANCE

The Cobb County Board of Education considers regular school attendance to be essential for educational success. Students shall be in attendance in accordance with the requirements of the compulsory attendance law and for the number of full-length days prescribed by law.

1. Students must present a parent note to the attendance office **within three (3) days** of his/her return to school. If a student misses a consecutive number of days in a row, one note will be acceptable for all the days missed. The note must include the student's name, grade, and date of absence, reason for absence, parent signature, and phone number where a parent can be reached. Notes without all the above information will result in an unexcused absence.
2. No phone calls will be accepted to excuse a student's absence(s).
3. Parents/guardians may monitor student attendance through the ParentVUE.

Please see Title I Parent Facilitator for access to ParentVUE.

EXCUSED ABSENCES

State law governs excused absences. A student's absence may be excused for the following reasons:

1. Personal illness
2. Serious illness or death in the immediate family
3. Special and recognized religious holidays by his/her faith
4. Mandated by government agency
5. Serve as a Page for the Georgia General Assembly
6. Conditions rendering school attendance impossible or hazardous to his/her Health or safety.
7. Voter registration

EXTENDED ABSENCES

After a student has missed four (4) consecutive days of school due to illness, the parent may request work, and it can be picked up 24 hours after making the request. Long-term absences may require a home-bound teacher. (See Hospital/ Homebound). Requests for consideration for extended unexcused absences due to family trips/activities must be submitted in writing to the grade level administrator before the absences. If approved, the absences will be considered "unexcused" but the opportunity for make-up work will be offered.

MAKE-UP WORK

Make-up work is a student's responsibility. No make-up is allowed for unexcused absences. A student may make up all work missed for excused absences only if the student presents an excused attendance slip to the teacher within three (3) days of the date he/she returns to school. Cooperative arrangement between the student and teacher for the missed work must be made within four (4) days beginning with the date of the student's return. The teacher may require tests/ long- term assignments to be taken/ turned-in immediately upon a student's return. A student suspended out of school may make up work (see the appropriate administrator). Make-up work done outside of school must be returned on the day of the student's return to school. Per the teacher syllabus, there may be a penalty for late work submission.

Long-Term Projects: All long-term projects will have a date designated as the last day the project will be accepted by the teacher for full credit. Projects may be turned in any time before the designated day, but not after the assigned date.

NOTIFICATION OF EXCESSIVE ABSENCES

When a student has been absent three (3) days in a particular class, the classroom teacher will contact the parent/guardian. When a student has been absent for five (5), seven (7), ten (10) days of school, and again at fifteen (15) missed days of school, there will be a letter sent from the school regarding the absences. After ten (10) days of absences, the student must provide a doctor's note to excuse any further absences, including early dismissals and tardy to school. If no

note is provided, the absences will be unexcused. The ten, fifteen, and twenty-day absence rule is cumulative for the school year. Excessive absences will impact student driving privileges and issuance of a driver's license or permit. Students under 16 years of age may also be contacted by the school's Social Worker.

TARDY POLICY

Instructional time at South Cobb High School is valued. Therefore, the expectation is that all students arrive at school and class on time:

1. Excused tardies to school will require parent or doctor documentation of one of the following: doctor's or dentist's official appointment verification, a note regarding student illness, or a documentation for a court-order appearance. **Tardies due to missing the bus, oversleeping, car trouble, etc. are unexcused.**
2. Rather than reporting to 1st Block, any student checking into school after 8:30 a.m. must sign in at the Attendance Office. Any student without an excused note for their late arrival will receive an unexcused tardy and may receive a consequence after the assigned number of tardies. Students more than 10 minutes late and an unexcused tardy will be considered skipping.
3. Students tardy to class should visit a tardy station to receive a tardy pass prior to entering their class.

EARLY DISMISSAL POLICY

In an effort to provide parents with access to their children during instructional time, the following guidelines are to be followed:

1. If a student is planning to check out for a prearranged reason (medical appointment that could only be scheduled during the school day, funeral, court appearance) he/she should bring a note in the morning to the attendance office so that the note can be verified, and a blue check-out slip written and delivered. Check-outs over the phone will only be done in extreme emergencies.
2. All notes from home must include the student's name, current date, a brief explanation identifying the reason for being checked out, the check-out time, phone number where a parent or guardian can be reached before the checkout time, and the parent's signature.
3. At the designated released time, the student will be released from class to report to the attendance office to sign-out.
4. Any student who leaves campus without properly checking out through the attendance office will receive disciplinary action and may lose his/her parking permit and driving privileges. South Cobb High School is a closed campus. Students must stay on the school grounds from the time they arrive, even if school (8:20) has not started, until school dismissal or until the bus picks them up. Any student leaving the school grounds must check out through the attendance office, or he/she will be subjected to discipline.
5. If a student becomes ill during the school day. He/she should notify the teacher and secure a pass to the clinic.
6. Students must keep early dismissal passes to present to teachers for excused absences.
7. The school reserves the right to require written requests or the personal appearance of parent/guardian and proper identification before a student is dismissed.

8. Students absent more than half the school day are not allowed to participate in extracurricular activities for that day. Students must be present 2 full blocks in class.

CERTIFICATE OF ATTENDANCE

Students can apply for a Certificate of Attendance in the attendance office. Legislation requires that local school systems certify whether a student's attendance pattern and discipline record allow him or her to have a Georgia's driver's permit or license. Forms are available in the attendance office and cost \$2.00 for processing. Forms turned in Monday through Wednesday will be available for pick up on Friday; those turned in Thursday or Friday will be available for pick up on the following Tuesday. No same-day forms will be processed.

For the purpose of reporting, a non-compliant student is one who:

1. Dropped out of school without graduating and has remained out of school for ten (10) consecutive school days.
2. Has been absent ten (10) or more school days (unexcused) in any semester. Students will not be allowed to turn in late notes.
3. Has been suspended from school for threatening, striking, or causing bodily harm to a teacher, or other school personnel; possession or sale of drugs or alcohol on school property; and/or possession or use of a weapon on school property.

ATHLETIC/EXTRACURRICULAR ACTIVITIES

South Cobb High School has established a solid program of extracurricular activities for our students. Participation in an extracurricular activity is a privilege. Over the past years, many clubs and teams have received local and state recognition for their achievements. Students involved in extracurricular activities enjoy high visibility and serve as role models for younger students in our school and in the community. Therefore, South Cobb High School expects its students to act appropriately and consistently with their positions as school representatives at all on-campus and off-campus activities. Student athletes participating in athletics must adhere to the Cobb County School District Code of Conduct as well as Board Policy IDF-R. In addition, the student may be excluded from future participation in extracurricular activities. (See Student Eligibility Folder.) For specific coach and club sponsor contact information, please visit our school website.

CAFETERIA PROCEDURES

1. Students are expected to dispose of their trash properly and clean their eating area before leaving the cafeteria.
2. Students will go through the cafeteria line and pay for their choice of food.

4. Students must be in one of the cafeterias or the cafeteria courtyard during their lunch periods and may not leave without a pass.

Bus transportation is a privilege and, as with any privilege, may be taken away if abused or misused. Students are expected to respect all bus rules. Once the bus doors are closed and buses are moving, students are not allowed to board the buses for safety purposes.

The bus lanes are closed to all traffic during arrival and dismissal.

FEES/FINES

All fees and fines must be paid prior to students withdrawing or graduating from South Cobb High School. This includes all books, athletics, booster club, and extracurricular fines.

FIELD TRIPS

Any time a student leaves campus on an official school trip, signed parental consent in ParentVue must be given. **There are no paper permission slips.** If the trip causes a student to miss another class, it is the student's responsibility to arrange for any make-up assignments to be completed by the specific date. All students must abide by the Student Code of Conduct while on field trips.

FIRE/TORNADO/CODE RED DRILLS

A fire drill will be held at least once a month. Severe weather and code red drills will be conducted periodically. Plans have been designed to afford the greatest ease of evacuation and safety. It is imperative that each student cooperates completely when the alarm is sounded. Silence and immediate response to adults' directions is expected from each student. Students should be aware of each plan so that their reaction is appropriate when most needed.

FREE AND REDUCED LUNCH

Students need to apply to receive free breakfast and lunch at school. Students need to complete a lunch form for reduction on SAT/ACT testing or College applications. Talk to your counselor to determine the best course of action. <https://frapps.horizonsolana.com/COBC01>

VISITORS

Students may not bring guests with them to campus during the school day. Persons wishing to visit our campus must report to the Main Office to request a guest pass. Parents are always welcome; however, they should make appointments to see the teachers, administrators, or counselors. Instructional time will not be interrupted for conferences. Former students are welcome to visit campus after school hours and must be accompanied by a South Cobb faculty member.

Pursuant to the Cobb County School District Administrative Rule KM-R:

B1. All Visitors:

Upon request, the principal or designee may, at his/her discretion, grant permission for visits by the parents/guardians of current students, other family members of current students who are approved by the student's parent/guardian, and those persons invited by the district for official business. To minimize disruption to the instructional program, visits to classrooms or programs or requests to meet with specific personnel must comply with the following guidelines:

- a. All visitors must sign in at the school office and obtain written permission to visit any part of the school.
- b. Visits require notice at least 24 hours in advance.
- c. Parents/guardians may observe for up to one hour during a classroom visitation. However, individuals invited by the district for official business may be granted extended time periods as necessary to perform their functions at the district's discretion.
- d. Classroom visits are not a time for parent-teacher conferences, and parents/guardians should not expect teachers to conference with them at these times.
- e. The regular school program must continue during such visits so parents/guardians must refrain from engaging the trespassing and may subject visitors to criminal prosecution under the laws of the State of Georgia.

B2. Limitations:

In addition to the limitations in Item B.1. Above, parental visitation may be limited by a court order, including a parenting plan.

HALLWAY PROCEDURES

Students outside of class must have a pass. During lunch periods, students are expected to have their pass visible and to remain in the designated areas. Students may visit the College and Career Center during their lunch period without a pass.

VENDING MACHINES

Students must use the vending machine that is closest to their class and must have a pass. Vending must be used before entering the cafeteria or after being dismissed from the cafeteria.

For security reasons, personal locks cannot be used on hallway lockers and will be removed immediately if found. Stickers and posters are not allowed on lockers. School insurance does not cover loss of books, materials, or personal possessions stored in lockers. Giving locker combination to friends or sharing a locker with any person other than the student(s) assigned to the locker is discouraged. Valuables should not be brought on campus and should never be left in lockers during the school day. During P.E. class, students should store items in an athletic locker with a lock provided from home. Locker problems should be reported to the administration. Lockers are the property of Cobb County School District and are subject to inspection and search by school officials.

LOST AND FOUND

Students who misplace personal belongings during the school day should see the clerk in the main office of the Magnet or main building during non-instructional hours.

MEDICINE

1. With the permission from the student's parent/guardian, a school employee, or voluntary clinic worker will assist the student in taking medication. Only medications that have the required dose during school hours will be given.
2. Medications must be brought to the school clinic by parent/guardian in the original container; parent/guardian is responsible for completing the appropriate school clinic forms.
3. The school will not supply over-the-counter medications.

The school clinic is open from 8:00am-3:30pm each day. For additional information and medical forms, please call the school nurse or *refer to the Cobb County School District Policy JGCD-R*.

In the event a change needs to be made to this information, the parent/guardian should update the appropriate documentation within ParentVue. Contact the Parent Facilitator with questions.

Bus drivers have a tremendous responsibility in transporting our students safely each day. As hard as we try to provide a timely service each day, a driver is absent from work due to illness, inclement weather, mechanical breakdowns, or personal matters. When an unforeseen incident such as this happens, routes may be run as a second load. Such variables may cause the bus to arrive late. Students should not leave their assigned stop. A bus will be by to pick them up as quickly as possible. Parents leaving their children at a stop before going to work are encouraged to have a contingency plan such as a neighbor or family member students can go to, a way to get back in their house, and a phone number for parents' work or another family member. Neighborhoods are encouraged to share this responsibility.

Whenever a student is guilty of cheating, the teacher shall collect the student's paper, mark a zero for the work, and notify the parent(s) and the appropriate administrator. When writing reports, presentations, essays, projects, etc., students must give credit to all sources used, including the internet. **If caught cheating, reassessment policy does not apply.**

REASSESSMENT POLICY

Any student will be able to retake a summative assessment if they score less than 80. Students must attend at least two tutoring sessions prior to reassessment. Once they reassess, the highest grade they can receive is 80.
