**Hints if you're struggling in your science class:**

- 1) Ask more questions during class.
- 2) Take good notes
- 3) Do **all** your homework.
- 4) Form a Study Group with other students in your science course –they do not have to be in your same period.
- 5) See your teacher before or after school for extra help.
- 6) Take advantage of online resources for your textbook.
8. Do not wait until the morning for a test or quiz to start getting help!
