

**NEW for the 2025 holiday season!!** Harrison students are making spirits bright by teaming up with kindergarten through 5th-grade students from our feeder elementary schools for a joyful shopping experience. These young guests are thoughtfully selected because, without this special opportunity, many might not otherwise experience the magic of the season.

The day will be filled with festive fun, including a holiday shopping spree, breakfast and lunch, holiday crafts and activities, matching t-shirts, and a visit from Santa himself! It's a heartwarming, brand-new tradition that creates lasting memories, fosters meaningful connections, and reminds us all of the joy that comes from giving.

Harrison Hoyas have an opportunity to apply to be a Hoya Helper and mentor for our little Hoyas. Applications are available online [HERE](#) and the \$30 application fees can be paid on MyPaymentsPlus.

After applying, students will receive notification of acceptance. After being accepted as a Hoya Helper, students are responsible for raising a minimum of a \$50 donation that directly funds the Shop with a Hoya program.

How can our community help make the event special?
