Front Office Hours: 8:30am – 4:45pm

School Begins: 9:10am

School Dismissal: 4:15pm

Study Hall, Intramurals, and Tutoring

The school is open from 8:15am – 4:45pm. If students arrive at 8:15am they must go to Study Hall or Intramurals until the 8:50am bell rings. Students needing to meet with a teacher for tutoring prior to 8:50am can do so if the teacher has signed in and is available. Students are not to leave campus once they arrive onto campus unless signed out by an authorized adult whose name appears on the registration form. Students staying after school must be with a teacher.

Tardy Policy

Students arriving after 9:10 must report to the Attendance desk to sign in and receive a late pass to class.

Checking Out Early

If you need to leave school between 9:10 am and 3:45 pm, students must bring a note from their parent / guardian explaining the reason and stating the time you will be picked up. Students will give the note to the PPO/attendance personnel and will be issued an early dismissal pass. Parents/guardians must sign students out from the front office at the time of early check out. It is the student's responsibility to come to the office at the time designated on the note. All parents/guardians checking out students will be asked for identification.

Nurse and Medication

Prescription medication must be transported in the original container by a parent, legal guardian or designated adult with written permission for administration. "Authorization to Give Medication" forms are available from the clinic. Medications must be properly labeled with the name of the student, name and strength of the medication, dosage, and time to be given, and the name of the licensed health care provider and pharmacy. The date on the bottle must be current within the past twelve months. Over-the-counter medications will not be supplied by the school (i.e. Tylenol, Advil, antibiotic ointments, calamine lotion, etc.). Over the counter medication may be transported by the student but "Authorization to Give Medication" forms must be filled out and signed by a parent or legal guardian. Refer to Board Policy JGCD for further directions.

Visitors to Simpson

All visitors and volunteers must register in the office and receive a visitor badge. Students may not have student visitors. Conferences with teachers must be scheduled in advance, as not to disrupt instruction.

Bus Passes

Students may not ride a different school bus. Exceptions may be made in the event of an emergency (ex. Parents out of town, staying with a guardian). If a student needs to get off at a different bus stop or ride a different bus due to an emergency, the parent MUST write a note including the student's information, the location they will be going and the contact information for the individual the student will be riding home with. This must be turned in before 9:30 am and approved by the Student Pupil Personnel Clerk.

Calling Home

If it is necessary to make a phone call, a pass to the front office is required from a teacher. Calls on the office phone are limited to emergencies such as illness or injury. Using the phone to make arrangements for after school activities will not be permitted during the school day.

In an effort to enhance instruction, items and messages will not be delivered to students during instructional time. This includes Connections classes. Students are responsible for coming to the front office to collect items brought in for them.

Inclement Weather and School Closing

Information concerning possible emergency school closings is posted on the Cobb County School District website www.cobbk12.org and local television and radio stations. You can also sign up for CCSD E-mail updates on the Cobb County website.

Hall Passes

Students are required to have a signed and dated hall pass from a teacher to leave their assigned area.

Lost and Found

Lost or stolen personal items, including electronics, are not the school's responsibility. Please be sure that all outerwear, PE clothes, electronic, phones, etc. are labeled with the student's name. At the end of each grading period, a lost and found reminder will be issued school wide. After this, all items are donated to a charitable institution.

Homework

Homework provides extra skills practice and preparation for tests as well as strengthening responsibility and self-discipline. Students and parents must check class boards on CTLS for each class weekly for assignments and other class information.

Make-Up Work from Absences

A student returning to school after an illness must bring a written parental explanation to be given to the PPO/Attendance office. If ill for more than two days, make up work may be requested through the school office on the morning of the third day of illness. It is the student's responsibility to check CTLS for make-up work during your absence and upon your return to school. Assignments will be made available upon return and should be made up in a timely manner. Students must complete assignments within the number of days equal to the length of the absence. For example, a student will have two days after returning to school to make up work missed during a two-day absence. It is the student's responsibility to complete and turn in work missed due to an absence.

Counseling Department

The mission of the Simpson Middle School counseling program is to create a system where students can efficiently connect with the counseling team regarding academic, social emotional, intrapersonal concerns, etc.

- Counseling slip: Students who need to speak to a counselor about anything can fill out a counseling slip. These will always be in a colorful folder in each grade level commons next to the water fountain or the counselor's door and are a bright colored half sheet of paper. Students will follow the directions on the slip and place it in the black mailbox located outside the counselor's office once they are finished.
- RAP sheet: Students who need to report any form of bullying or harassment can fill out a RAP sheet. These will always be in a colorful folder in each grade level common next to the water fountain or the counselor's door and are a full-page white sheet of paper. Students will follow the directions on the slip and hand it directly to their counselor once they finished. RAP sheets are then passed along to admin so discipline can be handled properly

Community Circles

Simpson Middle School is incorporating community circles as a way to foster the building of positive relationships among our students, staff, and community and improved academics. Circles allow students to build relationships and understand the perspective of their peers while developing good character skills. Our goal is for our students to be successful at Simpson and to soar as eagles in the community and society, now and in the future.

Helpful Academic Information for Parents

ParentVUE and CTLS Parent

These two online programs are a means to further enhance the communication with parents regarding their child's educational progress and pursuit of excellence. ParentVue allows parents to log on and view their child's grades for every assignment in each subject via the internet. CTLS Parent allows parents to view assignments, upcoming events, and individual class information. Parents will be given an access key to establish their ParentVue account and can use the same credentials to access CTLS Parent.

Conferences

We welcome the opportunity for parents to meet with teachers, counselors, and administrators by setting up an appointment with that person directly. All parents are afforded the opportunity to meet with one of their student's teachers during Conference Week in October.

Simpson Advanced Learning Program

Middle and high school advanced content/ honors levels courses are available in core content areas. High school courses taught in the middle schools are also considered AC/ Honors level courses. Students who do not qualify for the Advanced Learning Program yet, demonstrate exceptional ability and motivation in a particular content area who meet the set requirements are also eligible for these classes.

Cobb Systems of Support

The intervention team meets regularly to review student performance and plan research-based strategies, collect data and monitor performance of students experiencing academic or behavioral difficulties.
