

Chalker SPIRIT ROCK RENTAL

A Great Way to Show School Spirit and Support Our School!

The purpose of the Spirit Rock is to promote school spirit at Chalker Elementary School. Parents, caregivers, students & staff can “Rent the Rock” to recognize a student’s birthday, show school spirit, thank or recognize teachers and staff, or mark congratulatory events. It is a great way to spread positive messages and increase excitement in our community! 100% of the funds raised through the Spirit Rock will be used for school-wide rewards and incentives through PBIS.

Tips and Tricks

- The best paint to use is spray paint. Premium spray paint works best (Rustoleum, etc) vs. a generic store brand. You will probably need 2-3 cans for a good base coat and additional paint for your design. The quantity needed will depend upon the color you are using, the color already painted on the rock, and weather conditions. Remember, latex paint or paint that is rolled on will take longer to dry.
- Once you have the base coat done, use chalk to sketch out your design. Try to do large shapes so that it's easy to see from the road and so that you can use spray paint for most of it.
- Stand back from the rock to make sure you can see the design from there.
- Spray paint your large areas. If you mess up, use your base coat color to fix the mistake.
- For more detailed areas, use a can/tube of paint and a paintbrush. While outdoor latex is best, regular artists' acrylic seems to work well too (even in rain).
- Make sure to bring paper towels to wipe any drips
- Bring a cup of water if you are using a paintbrush.
- Wearing rubber gloves will help keep your hands clean.
- Have fun and post photos to our Facebook page!
