

# SPRAYBERRY HIGH SCHOOL

## ABOUT

Welcome to Sprayberry High School. For East Cobb families, the best choice is right in your backyard. We combine the opportunities of a large campus with the tight-knit feel of a neighborhood community — and right now, we are building the school our students deserve. From a \$71.9 million campus rebuild to state-tournament athletics and hands-on career training, your student will be known, challenged, and prepared. **There has never been a better time to be a Yellow Jacket.**

## MISSION

Excellence our Tradition, Diversity our Strength,  
Success our Mission.

## VISION

To enable and encourage our diverse student body  
to achieve academic excellence and make positive  
contributions to our local and global communities.

### PREMIER ACADEMICS

Advanced Placement, an International Spanish Language Academy, and a dedicated STEM Academy give students three distinct paths to challenge themselves — a range few neighborhood high schools can match.

### FUTURE-READY PATHWAYS

Learning takes flight here — literally. Students can study the math and science of flight through a STEM aviation program, train in a working cosmetology school, and build leadership through NJROTC. Yellow Jackets graduate with hireable, real-world skills.

### ELITE ATHLETICS & ARTS

Students can participate in competitive soccer and basketball programs and in the Band of Gold, chorus, orchestra, and drama. Every Yellow Jacket has a place to shine.

### STATE-OF-THE-ART CAMPUS

Our campus is transforming. A \$71.9 million Ed-SPLOST rebuild is delivering a four-story academic building with 68 modern classrooms, new administrative and guidance offices, and a learning commons — the best resources in East Cobb for the next generation of Yellow Jackets.

### The Parent Perspective

"Sprayberry offers the perfect balance. Our students are challenged by rigorous Advanced Placement classes while thriving in a supportive neighborhood environment. We love this school."

### The Student Experience

"There is a place for everyone here. Whether you are leading a club, performing in our award-winning fine arts programs, or competing for a championship, you belong."

Sprayberry's story this year is a new building rising and a community rising with it.

A state championship soccer run, an aviation STEM program, and a campus being rebuilt around our students' futures.

***There has never been a better time to be a Yellow Jacket!***

**Dr. David Church, Principal**

## BY THE NUMBERS

**92.6% graduation rate** — Class of 2026, 1.7 percentage points above Cobb's record district rate of 90.9%.

**\$71.9 million campus rebuild** — funded by Cobb Education Ed-SPLOST VI, with phase one targeted for summer 2026 and all work complete by the start of the 2027–28 school year.

**Four stories, 68 classrooms** — the new main academic building replaces a two-story, 66-classroom facility and adds new administrative and guidance offices plus a learning commons.

**Three specialized academic programs** — Advanced Placement, the International Spanish Language Academy (ISLA), and the STEM Academy, whose 2026–27 application window is open.

**SAT:** Sprayberry averaged 1060 in 2025 across 270 test takers (Reading & Writing 550, Math 510), up from 1058 in 2024. Cobb County led metro Atlanta with a district average of 1116, against a Georgia average of 1038.

## ACCOMPLISHMENTS

**State-Bound Soccer:** The boys' soccer team delivered an unforgettable season, advancing all the way to the 2025 GHSA 5A State Championship game against River Ridge on May 16, 2025.

**Sweet 16 Hoops:** Boys' basketball posted a 20–10 season and reached the Class AAAAA state Sweet 16, knocking off Coffee 60–57 before bowing out to Alexander. (Feb. 2026)

**Taking Flight:** Supported by Board Vice Chair David Chastain, Sprayberry launched a STEM aviation program where students learn the math and science of flight — teachers even circled the school in a Cessna out of Cobb County International Airport. (Oct. 2025)

**Trusted Leadership:** Dr. David Church returned to Sprayberry as principal in July 2025 — he began his Cobb career here in 2013 as a science teacher and coach, and most recently led Simpson Middle School. He brings two decades of experience across public, private, and international schools.

**Yellow Jacket Legacy:** The Moon family's Sprayberry story spans more than 60 years, from Arthur Cochran's Class of 1963 to the Class of 2026 — with Rosie singing the national anthem to open the 2026 graduation ceremony. "This community really anchors the neighborhoods, and it's why people keep coming back," said Dr. Church.

**Global Thinkers:** Sprayberry's Model UN team won "Best Delegates" at the Kennesaw State University Model UN Conference.

**Career Ready:** Through hands-on programs like the working cosmetology school, students graduate with hireable industry skills.

## ED-SPLOST

Thanks to community support through Ed-SPLOST, Sprayberry is getting the campus our students deserve. The centerpiece is a \$71.9 million core rebuild featuring a stunning four-story academic building with 68 modern classrooms. We are also adding a redesigned learning commons, updated administrative offices, and a fully renovated cafeteria. With major stadium upgrades, the total investment in your child's high school experience reaches \$85 million. It is a beautiful new chapter for our historic neighborhood school.

**\$85 MILLION TOTAL COMMUNITY INVESTMENT**

**NEW FOUR-STORY ACADEMIC BUILDING**

**68 MODERN, TECH-READY CLASSROOMS**

**MAJOR ATHLETIC STADIUM RENOVATIONS**
