School Break Camps

**Full STEAM ahead! These combo camps will feature exciting
Science, Technology, Engineering, Art, and Math activities to
spark the imaginations of our campers.**

Start planning now for the upcoming school year!

Multiple locations to choose from.

Visit our website for complete details.

Summer Camps

Make sure to participate in our Awesome Summer Camp program!

**Fine Arts Camps, Science & Technology Camps including
robotics, Music Camps, and Combo Themed Camps. With all
of these great offerings in the same location, you can find the
perfect theme for every camper! Camp curriculum is age
appropriate with hands on projects and experiments
designed to keep your camper active and learning all
summer long. Several convenient locations and several
weeks of camp in June and July.**
