

JCDA-R Student Code of Conduct
7/1/26**RATIONALE/OBJECTIVE:**

The Cobb County School District (District) is dedicated to sound discipline practices in the continuing effort to provide students an effective and safe learning environment. The District recognizes concerns for student welfare from their entry on a school bus or other school property to their return to the bus stop or their leaving school property.

RULE:

The following code provisions apply to offenses that students commit while on District property at any time, engaging in or attending a school-sponsored event, while using the District technology resources, or in the case of cyberbullying and for limited off-campus offenses, whether or not the offense or the electronic communication occurred on District property or with District equipment. As used in this Code of Conduct:

- A. District property includes, but is not limited to:
 - 1. The land and improvements which constitute the District;
 - 2. Any other property or building, including school bus stops, wherever located, where any school function or activity is conducted;
 - 3. Any bus or other vehicle used in connection with school functions and activities, including but not limited to, school buses, buses leased by the District and privately-owned vehicles used for transportation to and from school activities; and
 - 4. Personal belongings, automobiles or other vehicles which are located on District property.
- B. District technology resources include, but are not limited to:
 - 1. Electronic media systems such as computers, electronic networks, messaging, and Web site publishing; and
 - 2. The associated hardware and software programs used for purposes such as, but not limited to, developing, retrieving, storing, disseminating, and accessing instructional, educational, and administrative information.

Any and all violations of the Code of Conduct will be part of a student's disciplinary record and may be used in a student disciplinary hearing pursuant to the District's progressive discipline process.

The decision to charge a student for violation of this Code of Conduct shall be made by the administration of the school. Degree of discipline shall be based upon a progressive discipline process, with discipline assigned in proportion to the severity of the behavior leading to the discipline, previous discipline history of the student, and other relevant factors. All due process procedures required by federal and state law will be followed. Relevant factors to be considered should include, but not be limited to the age, maturity level, willfulness and intent, and the cognitive ability of the student. If the school administration is uncertain as to the interpretation of the Code of Conduct, they are to contact the Office of Student Discipline or their respective level assistant superintendent.

Suspension of a student from school for not more than ten (10) consecutive days is considered a short-term suspension, not subject to formal rights of hearing or appeal. Although there are no such rights guaranteed by law, parents/guardians may contact the Principal to discuss their child's discipline.

I. GENERAL PROVISIONS

A. PROGRESSIVE DISCIPLINE:

School personnel shall utilize progressive discipline processes in order to create the expectation that the degree of discipline will be in proportion to the severity of the behavior. In addition, consideration will be given to each student's previous discipline history and other relevant factors, including repeated offenses, which may include offenses over the course of more than one school year (cumulative offenses). Discipline assigned may increase where students have committed repeated offenses. Infractions in Part II below that are considered cumulative over the course of more than one school year include Paragraphs A, K, L-3, R-6, R-7, R-9, R-10, S, and Category I and Category II Weapons.

B. DISCIPLINE LEVELS:

1. Level 1 Discipline:

- a. Level 1 discipline is used for minor acts of misconduct which interfere with the good order of school.
- b. Following appropriate teacher/staff intervention, students may be referred to an administrator.
- c. Level 1 consequences range from a minimum of an administrative conference to a maximum of five (5) days of In-School Isolation (ISI) for elementary students, or five (5) days of In-School Suspension (ISS) for middle and high school students and may include restitution.

2. Level 2 Discipline:

- a. Level 2 discipline offenses are intermediate acts of misconduct.
- b. Students should be referred to an administrator.
- c. Level 2 consequences range from a minimum of one (1) day of Out-of-School Suspension (OSS) to a maximum of ten (10) days of Out-of-School Suspension (OSS) and may include restitution.
- d. Repeated violations of any Level 2 offense may result in that violation being considered a Level 3 or higher offense which may result in long-term suspension/expulsion. For Levels 2 through 5 Discipline, students in grades preschool through third must receive a multi-tiered system of supports, such as response to intervention, prior to suspension for more than five consecutive or cumulative days during a school year. This requirement does not apply to offenses including possession of weapon, illegal drugs, or other dangerous instrument, or if the student's behavior endangers the physical safety of other students or school personnel.

3. Levels 3, 4, and 5 Discipline:

- a. Levels 3, 4, and 5 discipline offenses are serious acts of misconduct including, but not limited to, repeated misbehaviors of a similar nature, serious disruptions of the school environment, threats to health, safety, or property and other acts of serious misconduct.
- b. Students must be referred to an administrator. Administrators will notify the appropriate level assistant superintendent, the Office of Student Discipline, and the Cobb County School District Police Department (CCSDPD), as well as other law enforcement agencies as deemed appropriate. Consequences range from out-of-school suspension to permanent expulsion. Consequences for middle school and high school students may also include referral to apply to the Alternative Education Program (AEP). All students accepted in the District's AEP will be on contract, which will include behavior and attendance objectives.
- c. Any misconduct that threatens the health, safety, or well-being of others may result in immediate suspension of the student from the school and/or school-sponsored activities for up to ten (10) school days, pending disciplinary investigation of the allegations.
- d. Middle schools and high schools may recommend that a student be considered eligible to apply to attend the AEP during his/her long-term suspension/expulsion. Upon this recommendation or a decision of the District Hearing Officer/Panel, long-term suspended/expelled students may attend AEP pursuant to a contract. If the student violates the terms of the contract, he/she may forfeit the opportunity to attend the AEP during the remainder of his/her long-term suspension or expulsion, pursuant to the

Order of the Hearing Officer/Panel and/or the terms of the contract. The student may appeal his/her dismissal from the AEP to the District administrator for the supervision of the AEP. The student may also receive further discipline, in addition to the reinstatement of his/her long-term suspension or expulsion.

- e. Level 3 consequences range from a minimum of ten (10) days of Out-of-School Suspension (OSS) to a maximum of ten (10) days OSS with a recommendation for long-term suspension for the remainder of the current semester.
- f. Level 4 consequences include ten (10) days OSS with a recommendation for expulsion for the remainder of the current semester and for one additional semester.
- g. Level 5 consequences include ten (10) days OSS with a recommendation for expulsion for the remainder of the current semester and for two additional semesters. Based on the severity of the behavior, student's previous discipline history, and other relevant factors, permanent expulsion may be recommended with approval of the appropriate level assistant superintendent.

C. REMOVING DISRUPTIVE STUDENTS FROM THE CLASSROOM:

- 1. The Superintendent and principals shall, and do, fully support the authority of every teacher in his/her school(s) to remove a disruptive student from his/her class pursuant to O.C.G.A. § 20-2-738. This code applies to a student who repeatedly or substantially interferes with the teacher's ability to communicate effectively with students in the class or with the student's classmates' ability to learn where the student's behavior is in violation of the District Student Code of Conduct.
- 2. The teacher shall follow his/her school's administrative referral guidelines and, when necessary, the procedures outlined in Administrative Rule JDF-R (Teacher Authority to Remove Students from Classroom).

D. STUDENT ENROLLMENT/CONDUCT RELATIVE TO GEORGIA DRIVER'S LICENSES:

The issuance of driver's licenses and permits to minors will be based on student enrollment rather than school attendance. The Department of Driver Services (DDS) shall not issue an instruction permit or driver's license to a person who is younger than 18 years of age unless, at the time such minor submits an application for an instruction permit or driver's license, the records of the department indicate that said applicant is enrolled in and not under suspension from school. Accordingly, the State Department of Education will forward student enrollment, suspension, and expulsion information from the statewide student information system to DDS, which will issue licenses when its records indicate that applicants are enrolled in school and not under suspension or expulsion. Lastly, DDS shall notify such minor of his or her ineligibility for an instruction permit or driver's license at the time of such application. (O.C.G.A. § 40-5-22)

E. TRUANCY:

In accordance with Georgia's Truancy Law, when a child is absent, parents, guardians, or other persons who have control of a child enrolled in the District should comply with Administrative Rule JB-R (Student Attendance) and school guidelines to report reasons for absences. Georgia law requires that after any student accrues five (5) days of unexcused absences in a given school year, the parent, guardian, or other person who has control or charge of that child shall be in violation of O.C.G.A. § 20-2-690.1. Any child that is subject to compulsory attendance who, during the school calendar year, has more than five (5) days of unexcused absences is considered truant. The law states the following:

"Any parent or guardian who violates this Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine of not less than \$25.00 and not greater than \$100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties, at the discretion of the court having jurisdiction. Each day's absence from school in violation of this Code section after the child's school system notifies the parent or guardian of five unexcused days of absence for a child shall constitute a separate offense."

- Schools will notify parents/guardians when a student has accumulated five (5) unexcused absences.

F. REPORTING TO LAW ENFORCEMENT:

In addition to discipline of students by the District, student conduct may be reported to appropriate law enforcement authorities. The District encourages parents/guardians to inform their children of the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

G. CHRONIC DISCIPLINARY PROBLEM STUDENTS:

A chronic disciplinary problem student is a student who exhibits a pattern of behavioral characteristics which interfere with the learning process of students around him or her and which are likely to recur. (see Administrative Rule JCD-R)

Some student behavior may be subject to Title IX reporting and /or investigations (see Administrative Rule JCAC-R).

These levels correspond to the disciplinary levels detailed above. ***However, principals or designee working in conjunction with the Office of Student Discipline and their appropriate level assistant superintendent may give greater discipline in egregious circumstances, as identified on a case-by-case basis by the severity of the behavior, student's previous discipline history, and other relevant factors.***
