Note on Dismissal Types

Dismissal types are shown in the screenshot below. 'Off Campus Care' programs (i.e., Primrose, Dae Han, etc.) are programs that pick your child up from school and transport them to their facility. The CLUB dismissal type should be selected for On Campus clubs (i.e., Kids Chess, Tennis Club, Art Club, etc.). During the selection process, you will be able to designate where your child will be dismissed from Club (CLUB-ASP or CLUB-Car). The Club dismissal type is only available for Temporary dismissals.

Default Transportation Mode Changes

6. To make changes to the student's default transportation mode, select the pencil icon adjacent to 'Default Transportation Mode', select the daily transportation mode from the drop-down menu, and click 'Save'. The Default Transportation Mode can be changed as often as the enrolling adult requires.

Emergency Transportation Mode Changes

7. To make changes to the student's emergency transportation mode, select the pencil icon adjacent to 'Emergency Transportation Mode,' select the emergency transportation mode from the drop-down menu, and click 'Save.' Emergency Transportation Modes include BUS, CAR, WALKER & NONE only.
