

LIBRARY MEDIA
EDUCATION

Dear Parent/Guardian:

We encourage students to keep reading all summer long! The 2026 student challenge is to read 20 minutes each day and at least 15 hours this summer. Students earn digital badges by logging reading minutes in Beanstack, our year-round reading engagement platform.

Reading throughout the summer for at least 20 minutes a day helps students maintain learning gains made in school and start the upcoming new school year off right. These resources can help:

CCSD Library Media Education: Visit www.cobbsummerreading.com for reading information and links to learning resources, such as Cobb Digital Library.

Beanstack: Students use Beanstack to log minutes, earn badges, and win prizes! Students are automatically enrolled in the school Beanstack Summer Reading Challenge. Beanstack is available online and as a free app.

Sora: Cobb students can read ebooks and e-audiobooks all summer long with Sora. With hundreds of great titles, you'll have plenty to choose from! Visit soraapp.com or download the free app on your device.

Keep reading and logging your reading minutes this summer!
